Of Dreams (The Vision of the Night) Patrick Tshibangu, 2020-01-29 Do you know why you have dreams when you sleep? Do you understand your dreams? Have you dreamed something then it happened physically? Is there anything you can do to avoid nightmares? Do you know that dreams carry messages from God? All these questions are answered in this book. The Mystery of Dreams. This book was written under God's guidance based on bible scriptures. The Author is explaining the living reality of dreams that everybody experiences when sleeping. Being himself a carrier of the gift of dreams and interpretation of dreams, Evangelist Patrick Tshibangu has brought to light many unanswered questions about dreams. This book shows you the origin of your dreams, the mystery behind your dreams, and helps you to discover the messages of God behind your dreams. Dreams are mysterious because they come in a form of symbols, codes, or enigmas that are unknown to men and contain secrets that required a revelation from God. In this book, you will also learn three different types of dreams: Divine dreams, Evil dreams, and Psychological Dreams. This book helps you as well to interpret some of your own dreams based on bible scriptures. In this book, you will also find a blank space that you can use to record your own dreams. It is not by accident that you have this book in your hands. I believe God led you to read this, and I pray that it blesses you in Jesus's name. Amen. Kenneth M.

Heck, 2009-10 **A. C. Gaebelein Collection** A. C. Gaebelein, 2022-03-11 It is impossible to overestimate the importance of the book of Daniel. It is the key to all prophecy without a knowledge of the great prophecies contained in this book, the entire prophetic portion of the word of God must remain a sealed book. Most interpretations of Revelation are chiefly occupied with symbols of the Book's mysteries, judgments, promised consummation, and neglect to sufficiently emphasize the person of Jesus Christ. If Jesus so prominently stands at the book's center, what makes the symbolism so appealing and distracting? Gaebelein firmly orients the symbolism, the prophecy, and the apocalyptic predictions in the book of Revelation around the person of Jesus Christ. The Revelation: An Analysis and Exposition of the Last Book of the Bible also contains appendices on connections between Revelation and Daniel, on the symbolic names in Revelation, and on helpful books on prophecy in general and the book of Revelation in particular. *The Spirit throughout the Canon*, 2022-08-15 Pentecostal forms of Christianity have now
