

A close-up, vertical shot of a glass hourglass. Golden-brown sand is captured mid-fall, creating a fine, continuous stream from the narrow neck. The top bulb is partially filled, while the bottom bulb is mostly empty, with some sand already settled at the base. The background is a soft, out-of-focus gradient of warm orange and yellow tones, suggesting a sunset or sunrise. The overall mood is contemplative and timeless.

promises of restoration At all times he underscores the primary backdrop for any Christian view of the last days worldwide evangelism before the end comes Are These the Last Days will graciously challenge your status quo understanding of end time prophecies and enable you as Solomon said to see this subject in an ever brighter light Understanding the New Testament and the End Times, Second Edition Rob Dalrymple, 2018-04-16 Many evangelicals have come to embrace a populist eschatology that has neither the support of the historical church nor of the scholarly world today For some this has led to a disillusionment with eschatological speculations For others the results are apathy and a failure to understand the mission of God's people This is tragic For when the entirety of the New Testament is read and understood from an eschatological perspective the grand narrative of Scripture and its fulfillment in Jesus comes clearly into focus A proper framework for understanding eschatology directly correlates to a proper understanding of the mission of God's people who are themselves carrying forth the biblical story as we approach the New Jerusalem To fail to comprehend eschatology is to fail to comprehend our mission This book has two objectives First to provide a proper hermeneutical framework from which we may discern a biblical eschatological worldview Second to demonstrate that a proper eschatological framework relates to the mission of God's people and the demand for holiness Thus eschatology matters **Scripture Workbook: Second Edition; 2 Volumes In 1** Gary F. Zeolla, 2011-09-16 This book contains two volumes previously only available separately It contains forty individual Scripture Studies Each study focuses on one general area of study These studies enable individuals or groups to do in depth topical studies of the Bible They are also invaluable to the Bible study teacher in preparing lessons This book is divided into two Volumes Volume I covers the essential doctrines of the Christian faith It is these doctrines that separate the true Christian faith from cultic and other deviations Included here are studies on such essential doctrines as the authority and reliability of the Scriptures the attributes of God the Trinity and forgiveness and salvation Volume II of this book then covers controversial theologies cults and ethics Included here are studies on Catholicism Calvinism baptism end time prophecy Jehovah's Witnesses Mormonism sexual issues church issues and many more topics The Prophecies of Daniel 2 John S. Evans, 2008-05 Although Daniel 2:45 states that the great statue composed of four metals and with feet of clay reveals the future relatively few biblical scholars have understood it as an amazingly accurate timeline that does exactly that Liberals have been unwilling to consider that the statue's fourth kingdom is Rome Most conservatives have recognized that it is Rome but they have gone astray by seeking a nonexistent link between that ancient empire and the modern world The key to understanding the statue is to recognize that it presents a prophecy that was fulfilled in the first century by the Coming of Christ which was the historical equivalent of the rock that destroys the statue The rock's growth into the mountain that covers all of Earth foretells a process that began in the first century and includes the thousand years of Revelation 20 This process appears to have reached a historical climax in our own time John S. Evans is a retired professor of economics and international finance who taught at the University of Alabama from 1968 until 2000 after beginning his teaching career

in 1959 at the University of South Dakota His professional accomplishments included a year in Mexico as a Fulbright Lecturer and the writing of a textbook on international financial management Since 1996 when he went into partial retirement his primary intellectual activity has consisted of the intensive study of the Bible with emphasis on the Book of Daniel In 2004 he published with Xulon Press The Four Kingdoms of Daniel A Defense of the Roman Sequence with AD 70 Fulfillment The present book expands on parts of The Four Kingdoms and offers much new material Evans has authored over thirty articles that have been posted at planetpreterist com and has been a frequent guest on John Anderson s Voice of Reason

The Church in End-Time Prophecy Curtis Schulze, 2021-04-12 Church in Prophecy Today the rapture of the church is one of the most disputed end time topics in all the scriptures No other end time doctrine has divided the church more than this subject of the rapture We have made this all about timing rather than his return Many are preoccupied with and distracted by their own particular prediction The purpose of this book is not to refute one position in favor of another but to come against the church s obsession and preoccupation with timing Our focus should be directed toward his return and not fixed on timing This is the testimony of the scriptures Whether he comes early or whether he tarries this does not matter to me What matters to me is the readiness of the church We need to be ready now and always if he comes early but if delayed we will need to be ready to go through the dark and difficult days ahead We need to prepare our hearts now for what is coming lest it catch us off guard We need to build our faith to stand under pressure and we need to build our trust and confidence in Him now to keep us while in tribulation We will need to settle the matter in our hearts concerning all those things coming on the earth to lay our lives down at all cost We will need to prepare our children and loved ones for the day ahead if the Lord tarry If the Lord did return today most would not be ready to evacuate If he were to delay his coming most are unprepared for the dark and difficult days ahead I am afraid for the church I am afraid many will fall away if the rapture does not occur as expected I am afraid many are taking this too lightly thinking they are guaranteed a seat on the rapture express but will be left behind because of complacency and indifference toward Christ and the gospel Either way you look at it the church is neither ready to leave nor ready to go through

Understanding End Times Prophecy Paul

Benware, 2006-05-01 Many Christians think of end times prophecy as a gigantic intimidating puzzle difficult to piece together and impossible to figure out But every puzzle can be solved if you approach it the right way Paul Benware compares prophecy to a picture puzzle Putting the edge pieces together first builds the framework that makes it easier to fit the other pieces in their place According to Benware the framework for eschatology is the biblical covenants He begins his comprehensive survey by explaining the major covenants Then he discusses several different interpretations of end times prophecy Benware digs into the details of the Rapture the Great Tribulation the judgements and resurrections and the millennial kingdom But he also adds a unique personal element to the study answering questions as Why study bible prophecy What difference does it make if I m premillennial or amillennial If what the Bible says about the future puzzles you

End-Time Prophecy Børge Beck, 2023-03-09 Along with a correct understanding of the Bible as the God breathed Word a correct interpretation is crucial Basically there are only two methods of interpretation 1 the non literal allegorical or spiritualizing method or 2 the literal so called grammatical historical method The latter if employed consistently gives the only correct understanding of what God originally intended to reveal about the salvation of mankind The first part of this book demonstrates the advantage of the literal interpretation over the allegorical or spiritualizing method which must be avoided at all costs unless the text demands a shift from a literal to a figurative interpretation of a word or phrase bearing in mind that figurative language still reveals literal truths The second part of the book applies the teaching of the first part to Biblical prophecy which must be interpreted in the exact same way as any other text in the Word of God If employed consistently the literal reading leads to Premillennialism Christ returns to earth before and in order to establish the Millennial Kingdom Pretribulationism the Church is raptured to heaven before the Tribulation and Dispensationalism God s dealings with man in seven consecutive dispensations or stewardships Besides 2 Thessalonians 2 3 is explained on the basis of the Greek text so as to be a conclusive defense of the pretribulation Rapture of the Church

The Reader Must Understand Kent E. Brower, Mark W. Elliott, 2013-11-05 The reader must understand is a more forceful translation of the words usually rendered let the reader understand in Mark 13 14 Translated this way this volume s title stresses the importance of eschatology for

Bible readers and theologians Eschatology the study of the last things is central to New Testament studies and indeed is not without importance for the Old Testament The Bible s eschatology and its place in Christian theology must therefore be taken very seriously The essays in this volume most of which were presented at the Tyndale Fellowship Triennial Conference 1997 offer new and important ideas and analysis They cover five main areas biblical theology Old Testament New Testament Christian doctrine and practical theology and significant contributions are made in each area *An Outline of the End Times* PT Nicholson,2016-12-15 *An Outline of the End Times* is written by a layperson for laypeople In an attempt to be comprehensive yet concise and thorough PT Nicholson explores prophetic scripture in relation to the end times He weighs up counterarguments of key issues that divide Christians regarding the tribulation and the millennium and carefully synthesizes an outline of events without overlooking difficulties Combined with exhaustive scripture references he uses charts tables maps sketches and graphs to explain issues and analyse topics as succinctly as possible About 25 percent of the Bible is prophecy and according to a well known and respected scholar on Bible prophecy John Walvoord five hundred of one thousand prophetic events remain unfulfilled Yet many Christians have only a vague notion of how end time events will unfold due to inadequate teaching and a shortage of comprehensively researched books on the subject *An Outline of the End Times* serves as a reference resource to help meet this need
