**Energetic Transmissions Through Spirit Photography** Donna Lopez, 2014-12-04 ORBS LIGHTFORMS SPIRITWORLD THE MULTIVERSE REVEALED Enter the otherworldly as you journey through the world of spirit photography A visual of over 70 photos reveal spirits orbs lightforms fairies star beings and the multiverse of alternate realities that will open your senses Whether you are new to energy work healing mediumship orb photography or the spirit world this book will create a new awareness once only believed in fairy tales What if all the fables and those of other worldly visitors was true What if we are not alone but swimming in an ocean of worlds within worlds intermingled with all you believed to be true As you journey through this book your mind body emotions and a sense of what is true will be questioned That is the point to ask to not assume you know what is next what is real or how life will unfold Believe in magic once again as a child full of wonder You may feel within your body electrical buzzing waves of energy as you partake in the images Your dream state may be enhanced your meditations may be deepened your intuition may expand or your whole life may just open up to include more than you knew possible Poetics of the Paranormal Kevin Chabot, 2024-10-15 The appearance of ghosts in art and popular culture has transformed throughout history From the undead corpse of the medieval tradition to the transparent forms of photographic film to the infrared and thermal images that now populate reality television the paranormal has literally changed shape over the centuries In Poetics of the Paranormal Kevin Chabot articulates the idea of spectrality demonstrating how the paranormal is far from a stable metaphysical category it is a dynamic and historically contingent discourse the contours of which shift over time Specific media Chabot argues present the ghost in distinct ways that emphasize the ghostly qualities of the medium and conversely the technological qualities of the ghost Through detailed analyses of nineteenth century spirit photography horror films ghost hunting reality television and the viral internet phenomenon Slender Man Chabot shows how the paranormal both shapes

and is shaped by media Exploring key historical shifts in contemporary media while providing a rich and novel theoretical framework Poetics of the Paranormal addresses with renewed rigour the relationships between media perception temporality and the elusive concept of the evidential Spirited Histories Diana Espírito Santo,2022-08-10 Spirited Histories combines ethnography with critical theory to provide a sophisticated exploration of the intersection of haunting and the paranormal with technology media and history Retrieving the past in places of trauma and death can take on many facets One of these is an attention to hauntings ghosts and absences that go with the collective experience of loss and disappearance People memorialize the dead and their stories in myriad ways But what about the untold stories or the forgotten unnamed This book explores the ways groups of Chilean paranormal investigators and ghost tour operators produce alternate histories using paranormal machinery rather than simply theatricalizing pain It offers a look at technologies machines and apparatuses themselves imbued with a long history of supernatural and scientific expectations and a social analysis of how certain groups of people marshal the voices of the dead to generate particular micro histories This fascinating volume will be of interest to a range of disciplines including anthropology sociology history religious studies and scholars of technology and new media

*The Spiritual Awakening Guide* Mary Mueller Shutan,2015-08-11 The first modern comprehensive resource on spiritual awakenings this pragmatic clear guide covers everything from the first step on a spiritual journey to enlightenment and the different types of spiritual awakenings from mild to dramatic we may go through Using the concept of the twelve layers that cover an awakened state Mary Mueller Shutan addresses every step of the spiritual journey starting with the Self and showing how family ancestral past lives karmic archetypal and other larger layers such as societal cultural global and cosmic energies condition us to sleep and obscure our realization of an awakened state Instructions for how to navigate through each of these layers and how to recognize where we are in our spiritual journey are included each step of the way along with common physical emotional and spiritual symptoms that may be experienced By addressing post awakening states oneness dark nights of the soul ego death near death and severe illness psychic abilities addictions dietary changes the God self personal and collective shadow and psychosis vs awakening we understand the experiences we may go through while

struggling with spiritual awakenings This practical book opens new understandings of how to live in the world while going through an awakening process and offers the revolutionary idea that we are meant to be humans to have a physical body with physical sensate experiences and emotions We are meant to live in the world and be a part of it even as fully awakened individuals This guide proposes a look at the possibility of leading a grounded earth bound life of work family friends and other experiences in an awakened state

**Spiritual Transmission** Amir Freimann, 2018-11-27 The term spiritual transmission refers to the passing of the state of enlightenment from teacher to student which takes place in many spiritual traditions In itself the transmission is synonymous with the experience of enlightenment But the fact that the student's experience is rooted in a relationship with a human teacher who is perceived to possess absolute knowledge lends the experience much of its intrinsic yet hidden nature Following the breakup of his 21 year relationship with his own spiritual teacher Amir Freimann launched a quest to discover the deeper realities of the student teacher relationship logging over 1 000 hours of interviews with students and teachers These interviews reveal the promises and perils of the guru to student relationship and explore hot button topics such as the differences and similarities between therapists and gurus the role of trust vs rationality in the spiritual quest and how money power and sex are dealt with during the course of a student's training **Spiritual Transmission** includes never before published dialogues with many prominent spiritual teachers plus a revelatory afterword by renowned integral theorist Ken Wilber If you have ever been involved with a spiritual teacher or know someone who has you need this book Interviewees in **Spiritual Transmission** include Peter Hakim Young Andrew Cohen Stephen Fulder Christopher Titmuss James Finley Llewellyn Vaughan Lee Shaykh Fadhlalla Haeri Sanial Bonder Mariana Caplan Mooji Lakshmi Barry Magid Claire Slemmer James Swartz Diane Hamilton Bill Epperly Aliya Haeri Thomas Steininger Peter Bampton Carolyn Lee Terry Patten Steve Brett and Mary Adams

**Spirits of the Lesser Gods** Rhonda McClenton, 2007-02 Reiki is an emerging adjunctive therapy that claims to provide physical and psychological healing as well as an experience of spiritual connection It is increasingly employed in counseling centers hospitals and even churches Reiki is believed by many to be a safe non invasive healing intervention that draws individuals towards God Reiki practitioners maintain that they imitate Jesus laying on of hands and claim that their praxis is essentially the same as the healing used by Jesus as well as by Buddha An ethnographic multi case study was performed comparing the experiences of nine individuals four who received Reiki therapy and five who received Christ based hands on healing The long interview format was employed The transcribed data were coded and analyzed for similar and distinct themes In addition a brief survey was utilized to determine the spiritual interests and involvement of each participant and the spiritual consequences of their healing experiences The findings indicate that Reiki healing is distinct from that which is depicted in the Bible Reiki appears to open up individuals to an energy based healing modality that is spiritual in nature but is not specifically Christian As reported by Reiki practitioners it is a spirituality which welcomes shamanism psychic healing clairvoyance spirit guides and a

host of other metaphysical practices as individuals become more intimately involved In addition the research demonstrates that Reiki therapy over time can cause physical emotional and spiritual harm The writer contends that biblical healing which at its core is soteriological and dependent upon the ministry of the Holy Spirit heals mind body and spirit without harmful consequences     *The Technical Delusion* Jeffrey Sconce,2019-01-17 Delusions of electronic persecution have been a preeminent symptom of psychosis for over two hundred years In *The Technical Delusion* Jeffrey Sconce traces the history and continuing proliferation of this phenomenon from its origins in Enlightenment anatomy to our era of global interconnectivity While psychiatrists have typically dismissed such delusions of electronic control as arbitrary or as mere reflections of modern life Sconce demonstrates a more complex and interdependent history of electronics power and insanity Drawing on a wide array of psychological case studies literature court cases and popular media Sconce analyzes the material and social processes that have shaped historical delusions of electronic contamination implantation telepathy surveillance and immersion From the age of telegraphy to contemporary digitality the media emerged within such delusions to become the privileged site for imagining the merger of electronic and political power serving as a paranoid conduit between the body and the body politic Looking to the future Sconce argues that this symptom will become increasingly difficult to isolate especially as remote and often secretive powers work to further integrate bodies electronics and information     **UFOs, PSI, and Spiritual Evolution** Christopher Humphries,Christopher J. **Puppet and Spirit: Ritual, Religion, and Performing Objects** Claudia Orenstein, Tim Cusack, 2024-10-17 This anthology of essays a companion to Puppet and Spirit Ritual Religion and Performing Objects Volume I aims to explore the many types of relationships that exist between puppets broadly speaking and the immaterial world The allure of the puppet goes beyond its material presence as historically and throughout the globe many uses of puppets and related objects have expressed and capitalized on their posited connections to other realms or ability to serve as vessels or conduits for immaterial presence The flip side of the puppet's troubling uncanniness is precisely the possibilities it represents for connecting to discarnate realities Where do we see such connections in contemporary artistic work in various mediums How do puppets open avenues for discussion in a world that seems to be increasingly polarized around religious values How do we

describe analyze and theorize the present moment What new questions do puppets address for our times and how does the puppet s continued entanglement with these concerns trouble or comfort us The essays in this book from scholars and practitioners provide a range of useful models and critical vocabularies for addressing this aspect of puppet performance further expanding the growing understanding and appreciation of puppetry generally This book along with its companion volume offers for the first time robust coverage of this subject from a diversity of voices examples and perspectives

**Putting God Into Einstein's Equations** Marcia Pollock,2012-04 Putting God Into Einstein s Equations Energy of the Soul is the direct outcome of an unusual and unique collaboration by soul mates Marcia and Jerry Pollock spanning the spiritual and physical worlds Marcia is deceased and her contributions come from the powerful intelligent energy of her Divine soul which is without her physical body in the spirit world Jerry is alive with his Divine soul which is constrained within his physical body on planet Earth Communicating through thought energy telepathy or channeling the authors have written this exquisitely simply explained book in their humble attempt of gratitude to bring new knowledge to the understanding of God s Essence and our world The Creator Himself has endorsed our book TRUTH LOVE AND WISDOM LIE WITHIN THESE PAGES Putting God Into Einstein s Equations Energy of the Soul is a provocative book that will stay with you long after you finish reading it Have you ever wondered about how a psychic contacts a spirit or where God comes from The book answers questions about God the big bang Einstein s Relativity Equations and how they fit in with God s energy soul mates and love the spirit world of souls past lives telepathic thought energy communication channeling removing negative body soul energy intelligence of the soul independent and combined functions of the soul versus the human brain acquiring spirituality miracles resurrection and reincarnation the Devil good and evil science and spirituality Creation and Evolution and how a new soul that God will give us in the future Messsianic Age at the End of Days will allow us to live for the eternity according to Einstein s Equations God is energy and so is our Divine soul Each of us receives a tiny piece of God s virtually infinite energy and the difference between our energy and that of God is simply the enormous difference in order of magnitude when comparing God s energy to ours The behavior of this energy mirrors the equations brilliantly originated and described by Albert Einstein with two exceptions the mass  $m$  referenced in Einstein s famous equation  $E = mc^2$  is a special Mass  $M$  originating in God s energy particles and God s and our soul energy travels at one million times the speed of light  $c$  or 186 billion miles per second In fact this Mass is the source of the independent intelligence and sensory properties found in the soul of all human brains Putting God Into Einstein s Equations Energy of the Soul is a provocative and compelling book that weaves together empirical scientific observation academic research and theoretical and theological considerations bolstered by revelatory first hand testimony bearing witness to the existence of the Divine soul in both the physical and spirit worlds Contained in the pages of Putting God Into Einstein s Equations are moving personal reflections on the authors life experiences from the thrill of discovering one s true soul mate to both traumatic and joyous events like a descent into bipolar

depression Divine miracles and the pain and loss associated with the death of a loved one Equally explored and discussed are practical first hand experiential techniques for hypnotic spiritual world regression and directing spiritual energy and using light to alleviate negative forces Above all else Putting God Into Einstein s Equations seeks to advance an awareness and comprehension of God drawing upon points of reference as diverse as Qigong and yoga to the word of rabbinical scholars
