*Remembering Absence* Nicolas Argenti,2019-03-21 Drawing on research conducted on Chios during the sovereign debt crisis that struck Greece in 2010 Nicolas Argenti follows the lives of individuals who symbolize the transformations affecting this Aegean island As witnesses to the crisis speak of their lives however their current anxieties and frustrations are expressed in terms of past crises that have shaped the dramatic history of Chios including the German occupation in World War II and the ensuing famine the exchange of populations between Greece and Turkey of 1922 23 and the Massacres of 1822 that decimated the island at the outset of the Greek War of Independence The complex temporality that emerges in these accounts is ensconced in a cultural context of commemorative ritual ecstatic visions an annual rocket war and other embodied practices that contribute to forms of

memory production that question the assumptions of the trauma discourse revealing the islanders of Chios to be active in forging their place in time in a manner that blurs the boundaries between historiography memory religion and myth A member of the Chiot diaspora Argenti makes use of unpublished correspondence from survivors of the Massacres of 1822 and their descendants and reflects on oral family histories and silences in which the island represents an enigmatic but palpable absence As he explores the ways in which a body of memory and a cultural experience of temporality came to be dislocated and shared between two populations his return to Chios marks an encounter in which the traditional roles of ethnographer and participant come to be dispersed and intertwined     Accueillir et surveiller Ministère de la culture et de la communication,François de Mairesse,Anne de Monjaret,2017-01-01 Cet ouvrage pluridisciplinaire cherche r v ler les multiples facettes d un m tier m connu qui repr sente pourtant pr s de la moiti des emplois dans le secteur mus al L tude pr sente un premier bilan partir de recherches portant sur ses repr sentations dans les arts ou dans les m dias et partir d une s rie d entretiens et de portraits de surveillants de mus e en activit On y d couvre la fa on dont ces surveillants de mus e construisent leurs rapports aux lieux aux collections aux publics et leur travail     **Expérimentations et innovations en protection de l'enfance** Dominique Fablet,2009-07-01 La r forme de la protection de l enfance pr ne la diversification des modes de prise en charge et incite sortir ainsi de l alternative intervention domicile placement Des dispositifs exp riment s par des professionnels ont fourni les bases permettant d envisager un renouvellement des modalit s d intervention Qu il s agisse d accueil de jour permettant d viter la s paration de l enfant de sa famille ou la combinaison d accueils s quentiels et d interventions domicile Voici une r flexion sur ces dispositifs socio ducatifs innovants     **Conceptions de l'intelligence et pratiques éducatives** Caterina Fiorilli,2000     Islamic Ecumene David S.
