The Recreational Diver Achim R. Schlöffel, Michael Creutzner, 2015-09-23 The Recreational Diver was chosen with care We think that recreational diving describes our activity much better than Sport diving as it is for people who want to become divers and not for those who want to try diving There is a gap to close A gab in training that has been weakened by greed A gap in the training material that is outdated and a gap in the actual training that is getting easier and easier to be able to sell it to an even broader range of potential customers No matter if they have the physical and mental prerequisites for the sport It is time for a new training system where quality is more important than quantity and where the individual is more important that the size of the course Have a good dive
