

A photograph of a modern university building with a distinctive orange-colored facade and a grid of windows. The building is set against a dramatic sunset sky with orange and purple hues. In the foreground, there are trees and a set of stairs with a metal railing. The overall scene is bathed in the warm light of the setting sun.

EASYUNI Ultimate University Guide 2016 easyuni Sdn Bhd, Kudos students Our team in EasyUni have felt the youth power As evident in the overwhelming response to our Internship positions it was a good testament on how students stood up and looked for opportunities instead of just sitting and waiting for miracles In this issue we feature not just one but two awesome students who have become inspiration to their peers in their own ways To help educate students we also feature stories on how to make money now

EASYUNI Ultimate University Guide 2015 EasyUni Sdn Bhd, 2015-07-24 As I write this I reflect on my life the hits others we don't Then there are those we ignore moments that would've could've or should've become defining moments if we only dared to turn left or right instead of continuing straight on I've been there I'm sure you have as well Having regrets is a horrible thing to feel let alone dwell on These defining moments have the power to fundamentally change the course of our lives As we fast approach the first half of 2015 it's a good time to reflect on how far we've come or maybe where we've fell short and think about what you're doing or not doing to live the life you want That's why for this issue of the easyuni University Guidebook we've re-done how we create our courses careers section with the hope that it'll not only educate but inspire you We also added new sections like beinspired featuredmentor and featuredstudent that showcases people who dared to chase their dreams We hope it will help you recognize and react to your defining moments when they come And trust me they will come I always tell my children Always step forward when you see an open door even if you don't know where it will lead you I've try to live off this mantra But doors can be scary when you can't see what's on the other side My advice to you Stop Look around Spot the open doors Then choose Stay put or step forward You know the right choice Trust it The question is do you dare Be awesome enjoy the read

University Rankings Jung Cheol Shin, Robert K. Toutkoushian, Ulrich Teichler, 2011-06-06 This ground breaking and exhaustive analysis of university ranking surveys scrutinizes their theoretical bases methodological issues societal impact and policy implications providing readers with a deep understanding of these controversial comparators The authors propose that university rankings are misused by policymakers and institutional leaders alike They assert that these interested parties overlook the highly problematic internal logic of ranking methodologies even as they obsess over the surveys assessment of their status The result is that institutions suffer from short termism realigning their resources to maximize their relative rankings While rankings are widely used in policy and academic discussions this is the first book to explore the theoretical and methodological issues of ranking itself It is a welcome contribution to an often highly charged debate Far from showing how to manipulate the system this collection of work by key researchers aims to enlighten interested parties
