

INTRODUCTION

Thank you for purchasing a Honda engine. We hope we have provided the best needed facts you, the engine user, need to ensure safety. This manual contains information on how to do this. Please read it carefully before starting the engine. If a condition should arise, or if you have any questions about your engine, consult an authorized dealer serving you.

All information in this publication is based on the latest product information available at the time of printing. However, Honda Motor Co., Ltd., reserves the right to make changes at any time without notice and without incurring any obligation. The part of this publication may be reproduced without written permission.

This manual should be considered a permanent part of the engine and should remain with the engine forever.

Read the instructions provided with the equipment powered by this engine for any additional information regarding engine control, installation, operation, adjustments, or any special maintenance instructions.

SAFETY MESSAGES

Your safety and the safety of others are very important. The facts presented in these safety messages in this manual and on the engine, should read these messages carefully.

A safety message alerts you to potential hazards that could harm you or others. Each safety message is preceded by a safety alert symbol, a set of three words, (DANGER, WARNING, or CAUTION).

These symbols mean:

DANGER

You WILL be KILLED or SERIOUSLY INJURED if you don't follow instructions.

WARNING

You CAN be KILLED or SERIOUSLY INJURED if you don't follow instructions.

CAUTION

You CAN be HURT if you don't follow instructions.

Each message tells you what the hazard is, what can happen, and what you can do to avoid or reduce injury.

DAMAGE PREVENTION MESSAGES

You will also see other important messages that are preceded by the word NOTICE.

That word means:

NOTICE

Your engine or other property could be damaged if you don't follow instructions.

The purpose of these messages is to help prevent damage to your engine, other property, or the environment.
