

# Structure of the IELTS Writing Task 2

## Introduction

The introduction is the first paragraph of your essay. It should briefly introduce the topic and provide some context. It also includes the thesis statement, which is a clear and concise statement of the main point or argument of your essay.

---

## Body Paragraphs

Typically, there are two to three body paragraphs. Each paragraph should focus on a single main idea or argument. Start with a topic sentence, provide evidence or examples to support your point, and then explain or analyse that evidence.

---

## Counterargument (optional)

Including a counterargument or a paragraph that acknowledges the opposing viewpoint can strengthen your essay. However, this is not always necessary, and it depends on the specific essay prompt.

---

## Conclusion

The conclusion sums up your main points and restates your thesis. It should leave a lasting impression on the reader and provide a sense of closure.
