Dennis P. Hollinger

Keller T And Alsdorf K A Every Good Endeavor:

Colin Gunton, Tim Keller, and the Trinitarian Challenge to Individualism Steve Pearson, 2025-08-05 In today's market driven world the relationship between faith and work is vital for every Christian in the workforce This book examines how much Christian thinking on the subject needs a radical shift Traditionally the focus has been on how Christians can influence the marketplace often overlooking the profound ways the market shapes our theology With a fresh perspective the book centers on identity contrasting today's individualism with the relational model of the Trinity It argues that the market can erode our Christian identity and distort our theology often without us being aware Through the insights of British theologian Colin Gunton who explored the Trinity's connection to identity and the work of Timothy Keller on faith and work the book reveals a crucial truth our understanding of identity is not relational enough To truly engage meaningfully at the intersection of faith and work our foundational theology must be reframed

Biblical Principles of Crisis Leadership Steve Firestone, 2020-05-28 This book explores how spirituality can improve an organization's ability to respond to a crisis It presents biblical examples of leading during a crisis to show how faith can be relied upon to lead during crisis situations Further it presents examples of leaders using their faith during trying times In recent years organizations have begun to prepare for crises but scholarly research has not kept up with their efforts Exploring topics such as communication servant leadership and resilience this work stakes new ground in leadership theory and will foster future research into the role of spirituality during organizational crisis

Creation and Christian Ethics Dennis P. Hollinger, 2023-11-07 Creation is a foundational pillar of the biblical storyline yet it plays little role in contemporary evangelical ethics Seeking to correct this oversight Dennis Hollinger employs the creation story and creation themes throughout Scripture as a foundation for Christian ethics After demonstrating why creation is theologically significant and important for Christian ethics Hollinger develops major creation paradigms that provide ethical guidance on a wide range of issues including money sex power racism creation care social institutions and artificial intelligence among many others Creation and Christian Ethics shows throughout that the triune God creates from love and in that creation are moral designs for humanity's journey in God's world Professors and students of Christian ethics will find this a valuable resource for the classroom while pastors and church leaders will benefit from personal and small group study

Integrating Christian Faith and Work Sharlene G. Buszka, Timothy Ewest, 2019-10-21 Though the majority of Americans claim faith in God and adults spend the majority of their time working these two important dimensions of life are rarely effectively integrated It is important for people of every faith tradition to consider how when and if their faith and work are to be integrated This is especially true as research shows that the integration of faith and spirituality in the workplace results in numerous benefits for individuals organizations and society if done respectfully This book presents key research insights concerning integration influences and strategies for Christians who seek to integrate their faith and their work Specifically it discusses how individual occupational and organizational

factors influence faith and work integration and suggests diverse ways to integrate the Christian faith at work The Faith and Work Integration Spheres of Influence Model is presented as a tool to guide individuals in better understanding how to develop their own personal plan for faith and work integration within the context of limiting or enabling occupational and organizational factors It also suggests areas for further research on this topic Readers will learn how Christian faith and work integration can be maximized based on individual attributes occupational characteristics and organizational factors

Work R. Keith Loftin,Trey Dimsdale,2018-03-09 Moving from biblical theology to systematic theology to practical theology Work Theological Foundations and Practical Implications offers a comprehensive theology of work With contributions from a variety of leading theologians including Miroslav Volf and Samuel Gregg this book brings together biblical scholars ethicists economists representing a spectrum of theological voices It will bring a new academic depth to the literature on the theology of work and provide a comprehensive single volume resource for scholars and students alike Contributions include Work and the Trinity Miroslav Volf Work and Anthropology Jay Wesley Richards Sanctification and Work Scott B Rae Economics and the Common Good Samuel Gregg *Know. Be. Live.®* John D. Basie,2021-10-12 Over the last few years the literature on Generation Z has grown rapidly However there is little that directly addresses the destructive cultural challenges to proactive discipling in this generation Know Be Live offers a holistic 360 degree approach to discipleship in a post Christian era It combines expert thought on faith and culture to equip Christ following parents of teenagers college students campus ministers and pastors
