confirmed her fears she was pregnant and Travon was the father of the child She hadn't slept with any other men in months so there was no doubt as to who the father of the child was thankfully but she was hardly comforted by the knowledge of that Because with this new information about her current condition came a new fear of how to tell Travon that he was going to be the father of her child after only spending one night together As the time ticks down until their next meeting Danielle finds that she doesn't know how to tell him that he's going to be a dad and is even more at a loss as to how to even find the courage to say what she knows that she needs to say She fears that he won't want to have any part in the child's life because of the way that the baby was conceived or worse would deny the child was his outright and refuse to take a DNA test to determine whether he was or not leaving her with a baby that had no father Will Travon give up his partying ways and settle down to help Danielle take care of the child or will he leave her to work things out on her own with no support from him as she is left to raise a child in the world alone Download Now Click the Orange Button at the Top of The Page Keywords Interracial BWWM Billionaire romance Billionaire interracial romance bwwm Interracial romance black women white men bwwm interracial romance kindle Interracial erotica Billionaire baby bad boy billionaire **The Billionaire's Wife Trilogy Boxed Set (BWWM Interracial Romance)** Viola Black,2016-09-11
