Employee Appreciation Creative Ideas:

The Relationship Between Simple Employee Recognition and Employee Productivity in Business

Organizations. A Case Study Bockarie Sama Banya,2017-08 Some managers shy away from implementing employee recognition programs fearing high associated costs Yet there are some simple and free cost recognition programs like saying thank you and well done which are crucial Upon this basis this study s main purpose is to assess the relationship between simple employee recognition and employee productivity It is guided by the following objectives Determining and measuring the best employee productivity forms of simple employee recognition relationship between simple employee recognition and employee productivity and strategies of how to improve employee productivity through recognition For this purpose related literature was reviewed and a case study research design in support of both quantitative and qualitative techniques was applied for data collection presentation and analysis A sample size of 400 respondents was selected and used with composition of all levels of management for M Nic Consultancy Research Centre Data collection was done using questionnaires and interviews presented analysed interpreted and discussed for conclusions and recommendations **151**

Quick Ideas to Recognize and Reward Employees Ken Lloyd,2007-04-15 Most managers understand the importance of giving their employees recognition and rewards but when it comes to actually doing so they often come up empty or use outdated ineffective strategies 151 Quick Ideas to Recognize and Reward Employees will help managers stock up Recognition and rewards are consistently found to be among the most powerful of all motivators for employees at any job level In fact when employees are asked to describe their most satisfying experiences at work they frequently mention situations in which they received recognition and rewards for their performance And importantly when managers are skilled in providing this type of feedback their employees typically reward them with increased productivity commitment and overall performance However just like customers who always order the same old entree at a restaurant managers tend to choose the same old kinds of recognition and rewards Some traditional rewards still work well of course but there is always room for new ideas 151 Quick Ideas to Recognize and Reward Employees offers you the full menu of recognition and reward strategies It comes with detailed descriptions of the most popular ideas in business plus others that are destined to become classics Ideas such as Enriching jobs by giving employees more autonomy and decision making responsibilities Purchasing personally signed books suited to the potential you see in each employee Awarding special coupons for free gasoline or transportation Hiring a masseuse to rub out stiff necks and backs Making your employees more invested by offering profit sharing Plus many free or low cost rewards Included with each of the 151 strategies is an assignment that you can use as a roadmap to bring the idea to life **365 Ways to Motivate and Reward Your Employees Every Day--with Little Or No Money** Dianna

Podmoroff,2005 I Love my job Is that what your employees are saying Sadly according to the U S Department of Labor s Bureau of Labor Statistics American businesses lost an average of 25 days of work in 2001 due to employee anxiety and

Language and Creativity at Work Michael Handford,Almut Koester,2024-03-29 *Language and Creativity at Work* A Corpus Assisted Model of Creative Workplace Discourse explores linguistic creativity at work as well as the role of language in creative processes in the workplace Using a mixed methods approach involving corpus linguistics and discourse analysis this book Provides a critical comparison of previous studies in language and creativity in a linguistic context as well as in the

context of businesses and entrepreneurship and considers the insights that can be gained from both approaches Argues the case for workplace creativity as a linguistic and discursive phenomenon in addition to a cognitive or relational one Presents a model of creative workplace discourse that integrates creative language the creative actions involving language and alignment between speakers Employs spoken corpus data from a range of workplace contexts recorded over a 20 year period Examines professional practice and creativity in two different professional contexts a residential care home and a small start up company and explores the roles of constraints leadership and alignment in these contexts Critically interrogates the notion of creativity as an inherently positive phenomenon and analyses instances of problematic creativity in the workplace Demonstrates how corpora can be used to underscore assessments of creativity and its realisations in real dialogic contexts This book fills an important gap in the literature on creativity within both language and organisational studies and as such will be key reading for students and researchers of English language applied linguistics communication studies and business management

The Humor Hack Michael K. Cundall Jr.,2022-04-28 The Humor Hack is an entirely different book about using humor to lead a more engaged life It s a playbook filled with anecdotes exercises and discussion of topics that will provide readers a way to understand how humor works and how they can take this knowledge and enrich their personal and professional lives with more laughs enjoyment and mirth The book s content is based in research but not academic in tone or format and is accessible to the general reader The subject matter is broken into chapters that teach people how to understand recognize and produce more humor in their day to day lives It is written in a friendly and warm tone and avoids being nothing more than a series of stories about humor or an overly theory laden academic book It provides readers with a book that is enjoyable to read informative playful and educational That s why this is best described as a playbook The book is meant to provide a sort of text that is missing in the current books out there that profess to be humor how tos It takes research related to humor and discusses it in an informed yet accessible fashion
