The Corporate Security Professional's Handbook on Terrorism Edward Halibozek, Andy Jones, Gerald L. Kovacich, 2007-08-28 The Corporate Security Professional's Handbook on Terrorism is a professional reference that clarifies the difference between terrorism against corporations and their assets versus terrorism against government assets It addresses the existing misconceptions regarding how terrorism does or does not affect corporations and provides security professionals and business executives with a better understanding of how terrorism may

impact them Consisting three sections Section I provides an explanation of what terrorism is its history who engages in it and why Section II focuses on helping the security professional develop and implement an effective anti terrorism program in order to better protect the employees and assets of the corporation Section III discusses the future as it relates to the likelihood of having to deal with terrorism The book provides the reader with a practitioner s guide augmented by a historical assessment of terrorism and its impact to corporations enabling them to immediately put in place useful security processes and methods to protect their corporate interests against potential acts of terror This is guide is an essential tool for preparing security professionals and company executives to operate in an increasingly hostile global business environment Features case studies involving acts of terror perpetrated against corporate interests Provides coverage of the growing business practice of outsourcing security Remains practical and straightforward in offering strategies on physically securing premises determining risk protecting employees and implementing emergency planning

A Survival Guide to Managing Employees from Hell Gini Graham Scott,2007 All managers get saddled with problem employees from time to time what sets great managers apart is how they deal with them Drawing from real life stories this helpful and humorous guide provides readers with practical advice for handling a wide range of difficult types including The Impossible Is Incompetents Idiots and Imbeciles clueless employees who simply don t know what they re doing The Bull in the Office China Shop the frequently angry worker ready to confront anyone and everyone The Party Time Performer the employee who although great with people constantly turns work time into fun time I ve Got a Problem employees whose work is compromised by any of a range of personal demons from drug and alcohol problems to emotional issues From whiners and wastrels to the needy and nefarious this book gives readers the tools they need to handle any type of difficult employee [AR 690-600 02/09/2004](#)
