En Plein Vol La Calligraphie Chinoise Autrement:

Chine, l'empire du trait Bibliothèque nationale de France, Nathalie Monnet, 2004 Surgies du fond des siècles ces pièces de calligraphie qui s'offrent notre regard conservent toute leur fraîcheur de pinceau et d'encre. Pénétrer dans leur intimité c'est prendre part à un acte créateur deux fois millénaire c'est sentir le frémissement même d'une main en train de tracer ces signes idéographiques dont l'origine selon un certain mythe est d'ordre céleste. En effet tout Chinois lorsqu'il se trouve devant une calligraphie ou un tableau refait irrésistiblement en pensée les gestes avec lesquels l'artiste a réalisé l'œuvre. Tant il est vrai que tout idéogramme et par extension toute figure dessinée incarne plus qu'une notion ou une image une manière d'être et que tracer ces signes faits de traits essentiels est un acte par lequel l'homme entre en communion avec les entités vivantes de la nature et du cosmos. Français Cheng Claire des premières pages de ce livre la fascination qu'exercent la calligraphie et la peinture chinoise dans l'esprit des Occidentaux. Nathalie Monnet nous y initie pas pas avec maîtrise travers les collections les plus prestigieuses de la Bibliothèque nationale de France choisies pour leur rareté et leur élégance et couvrant quinze siècles de haute culture. Ayant en commun d'être réalisés au pinceau et l'encre la calligraphie et la peinture se définissent comme des arts du trait. Alliant la mobilité vivante du pinceau l'inaltérable brillance de l'encre les lettrés chinois n'ont eu de cesse d'explorer la force expressive de cet art qu'ils déclinent travers des formes calligraphiques et picturales multiples et inlassablement réinventées. Des célèbres rouleaux conservés Dunhuang dans une grotte scellée au début du XIe siècle puis rapportés par Paul Pelliot ont permis de redécouvrir intacts des œuvres disparues pièces ou copies fidèles d'éminentes calligraphes comme Wang Xizhi Zhi Yong l'empereur Taizong de la dynastie de Tang ou Liu Gongquan mais aussi des rouleaux de soie ou de papier pieusement calligraphiés par les scribes depuis le Ve siècle. Les trois grandes doctrines confucianisme taoïsme et bouddhisme qui ont si puissamment marqué le monde des lettres chinoises sont voquées par des manuscrits et des éditions rares de fragiles esquisses sont les mouvants témoignages de l'activité intense déployée par les peintres de Dunhuang. On admirera la précision de l'art du collectionneur dans des catalogues anciens d'objets de bronze de métaux et de pierres encre mais également l'art du bibliophile chinois exprimé par des albums estampés ou pieusement peints sur feuilles d'arbres ou sur soie calligraphiés sur fond d'or incisés sur jade ou finement tissés. Enfin de prestigieux volumes de gravures ou de peintures sur soie glorifiant les capitales et le bon gouvernement ou le cortège de l'empereur Kangxi traversant Pékin en liesse pour son soixantième anniversaire font découvrir un art politique au service de la dynastie des Qing. Des peintures ou des imprimés polychromes témoignent de l'art raffiné du Sud de la Chine. On pourra comparer des pièces du XVIIe siècle qui marquent les premières tentatives de compréhension mutuelle et de synthèse entre l'art et l'architecture de la Chine et de l'Europe. L'ouvrage s'achève par des séries de gravures ou de peintures délicatement colorées sur soie des pavillons impériaux disparus du fabuleux Palais d'été.

Enjoying the Tune of Appearance: An Mental Symphony within **En Plein Vol La Calligraphie Chinoise Autrement**

In a global eaten by displays and the ceaseless chatter of quick conversation, the melodic beauty and emotional symphony produced by the published word often fade into the backdrop, eclipsed by the persistent sound and interruptions that permeate our lives. However, situated within the pages of **En Plein Vol La Calligraphie Chinoise Autrement** a wonderful literary prize filled with fresh emotions, lies an immersive symphony waiting to be embraced. Constructed by an elegant composer of language, this charming masterpiece conducts visitors on a psychological journey, well unraveling the concealed songs and profound impact resonating within each cautiously crafted phrase. Within the depths of this moving assessment, we can examine the book is central harmonies, analyze their enthralling publishing design, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
