

Essay question on the presentation of Macbeth

Read the following extract from Act 1 Scene 7 of *Macbeth* and then answer the question that follows. (At this point in the play, Macbeth is speaking. He has heard the prophecies, has become Thane of Cawdor and now discussed the prophecies with his wife.)

MACBETH	<p>If it were done when 'tis done, then 'twere well It were done quickly: if the assassination Could trammel up the consequence, and catch With his surcease success; that but this blow Might be the be-all and the end-all here, But here, upon this bank and shoal of time, We'd jump the life to come. But in these cases We still have judgment here; that we but teach Bloody instructions, which, being taught, return To plague the inventor: this even-handed justice Commends the ingredients of our poison'd chalice To our own lips. He's here in double trust; First, as I am his kinsman and his subject, Strong both against the deed; then, as his host, Who should against his murderer shut the door, Not bear the knife myself. Besides, this Duncan Hath borne his faculties so meek, hath been So clear in his great office, that his virtues Will plead like angels, trumpet-tongued, against The deep damnation of his taking-off; And pity, like a naked new-born babe, Striding the blast, or heaven's cherubim, horsed Upon the sightless couriers of the air, Shall blow the horrid deed in every eye, That tears shall drown the wind. I have no spur To prick the sides of my intent, but only Vaulting ambition, which o'erleaps itself And falls on the other. <i>Enter LADY MACBETH</i> How now! what news?</p>
LADY MACBETH	He has almost supp'd: why have you left the chamber?
MACBETH	Hath he ask'd for me?
LADY MACBETH	Know you not he has?
MACBETH	<p>We will proceed no further in this business: He hath honour'd me of late; and I have bought Golden opinions from all sorts of people, Which would be worn now in their newest gloss, Not cast aside so soon.</p>
LADY MACBETH	<p>Was the hope drunk Wherein you dress'd yourself? hath it slept since? And wakes it now, to look so green and pale? At what it did so freely? From this time Such I account thy love. Art thou affeard To be the same in thine own act and valour As thou art in desire? Wouldst thou have that Which thou esteem'st the ornament of life, And live a coward in thine own esteem, Letting 'I dare not' wait upon 'I would,' Like the poor cat i' the adage?</p>
MACBETH	<p>Prithee, peace: I dare do all that may become a man; Who dares do more is none.</p>

Starting with this speech, explore how Shakespeare presents Macbeth.

Write about:

- how Shakespeare presents Macbeth in this speech
- how Shakespeare presents Macbeth in the play as a whole.
