Presley, 2009-10 Way Truth Life that expands upon the theology presented in the author's first published book Way Truth Life Revelation of the Creator LORD Jesus Christ is a book that is much needed For most who claim to be Christian do not comprehend the fullness of Who the Creator LORD Jesus Christ is And virtually none of these understands God's overall Plan of Redemption of the Ages that is necessary to correctly interpret Bible prophecy These are so ignorant of what God is doing and about to do that they do not even know what questions to ask Most proclaimed Christians have no concept of what the Bible reveals concerning the timing of Christ's return They certainly cannot use simple terms to clearly explain how God's predestination and mankind's free will coexist They do not know how God will ultimately judge all sinners in a fair manner regardless of when they live or what spiritual enlightenment they are exposed to Sadly most do not even know what God really requires for a person to be born again and eternally saved much less what spiritual stages everyone who ever lives potentially goes through from the moment that one comes into existence until he physically dies They do not know God's plan for His chosen nation of Israel during the church age during the coming 7 year Tribulation and during the Millennial Kingdom And they have no idea what the Bible clearly reveals about the destiny of everyone who dies before the age of moral accountability Clear answers to the above are provided within this fully scripture referenced book on theology entitled Way Truth Life Additionally the author's most literal approach to interpreting God's Word also makes it very easy to decipher Bible prophecy **Revelation of Iesus Christ** Grace Chung, 2025-08-25 I was raised by my mother and my grandmother who were very devout Christians and who had believed in Jesus for four generations We all attended a Presbyterian church in South Korea and especially my grandmother handed down her faith in Jesus to me through teaching me the bible and singing hymns for me The reason I translated this book was this The elder pastor from one of my former churches that I had attended asked me to interpret his sermons that he meditated on the words of Revelation When I refused to interpret his sermons Jesus appeared to me once in a cloud and confirmed me to translate his sermons from Korean to English So I obeyed the will of Jesus and interpreted his sermons from Korean to English While I was translating this book I saw Jesus shining His light upon me from Heaven Sometimes I could see even an angel pouring a jar of living water on me when I was translating this book from Korean to English While I was translating this book at 2 in the morning I even saw a mighty angel coming down from heaven whose face was so shining like the sun and whose voice was like the seven thunders This is the reason why I started interpreting this book This book is the

words of God explaining about the book of Revelation and the end time It gives us the God's explanation about the plagues of seven bowls the perdition of the world the white throne judgment and heaven at the end This book will tell us in detail about how we should believe in Jesus in order to be saved out of hell fire and out of all the plagues that will strike the earth in the upcoming future The messages of this book must be the warning signals of God that He wants to send to all of His churches and to all the people who live in the end time of the world While I was translating this book Jesus showed me a pure river of life flowing from the top of the mountain to the sea Jesus showed me that this message of the words of Revelation must be the pure water of water flowing from the throne of God in heaven which will restore the spirits of people to life I wish you will all read these three books and get an insight into what will happen in the close future in the world and prepare yourselves to be saved out of upcoming punishment of God that will befall earth and enter into heaven in the end after all If you are pastors you can also preach these messages to your congregation since Jesus said not to close this book but to read and keep the things written in the book of Revelation I pray that whoever reads and keeps the things written in these books of the words of Revelation meet Jesus and be blessed according to the words written in the book of Revelation while they live in this world and enter into heaven after all I wish we will all meet in heaven someday May God bless you all Before the Rapture Eleanor Schultz, 2011-02-28 Author Eleanor Schultz removes the mystery of scenes described by Bible prophets Logical and clear explanation with a touch of humor calms fears about the times that we are destined to experience before the Rapture The rise of the Antichrist and his crusade to conquer the world is unsettling at best The surfacing of the Ark and Israels encounter with God makes for exciting reading The Middle East emerges as the seat of world political religious and economic power Peace arrives and prosperity follows The deception and lure of resulting pleasures can be deadly if we fall for the deceptive tactics of evil in the end times Surveying all things we realize we are not alone and evil is not in charge Gods plan of redemption is the controlling factor for end time events and Satan does not have veto rights God is still in control The Biblical Story of Israel Austin Moore, 2025-07-01 Israel s story didn t start with a nation it began with one man named Abraham In this foundational chapter you ll discover the crucial Genesis account detailing God s unique promise Genesis 12 1 3 This promise became the foundation for everything that followed the birth and growth of the nation of Israel their role in God's redemptive plan and their significance in the coming of the Messiah Understanding Abraham and God's unbreakable covenant sets the stage for grasping Israel s entire historical and prophetic journey Dictionary of Biblical Prophecy and End Times J. Daniel Hays, J. Scott Duvall, C. Marvin Pate, 2009-05-26 All you wanted to know about biblical prophecy from A to Z the Dictionary of Biblical Prophecy is a comprehensive reference tool It is targeted for those who truly desire to understand prophecy and the end times Starting with Abomination of Desolation and continuing through hundreds of articles until Zionism this book provides helpful and interesting discussions of the entire range of biblical prophecy all at your fingertips This exhaustive work contains articles on a broad sweep of topics relevant to the study of biblical prophecy and eschatology

The articles are based on solid scholarship yet are clear and accessible to the lay reader illuminating even the most complicated issues The dictionary also strives for a balanced presentation by laying out differing positions along with their strengths and weaknesses while not pushing any specific theological or interpretive agenda other than a firm commitment to seeking to understand the Scriptures This is a valuable tool you will refer to time and again Righteous Gentiles: Religion, Identity, and Myth in John Hagee's Christians United for Israel Sean Durbin, 2018-10-02 In Righteous Gentiles Religion Identity and Myth in John Hagee's Christians United for Israel Sean Durbin offers a critical analysis of America's largest Pro Israel organization Christians United for Israel along with its critics and collaborators Although many observers focus Christian Zionism s influence on American foreign policy or whether or not Christian Zionism is truly religious Righteous Gentiles takes a different approach Through his creative and critical analysis of Christian Zionists rhetoric and mythmaking strategies Durbin demonstrates how they represent their identities and political activities as authentically religious At the same time Durbin examines the role that Jews and the state of Israel have as vehicles or empty signifiers through which Christian Zionist truth claims are represented as manifestly real **Finding God in Scripture** John Bertone, 2016-09-01 Why should I read the Bible Isn t it just a lifeless and detached piece of history an ancient relic You may have heard people ask these questions or even asked them yourself This book will help you find the answers to understanding the Bible in a twenty first century context We have progressed as a civilization there is no doubt The advances in computer technology communication and science have improved the quality of our lives But fundamentally at the core the desires and motivations of humans remain the same and it is to this that the Bible speaks most clearly However interpreting the Bible requires intellectual curiosity commitment and a desire to discover truth Finding God In Scripture will equip you to better understand the nature of the Bible's message and the dynamics of how to interpret it For example just like today's modern writers biblical authors used various literary techniques such as the complexities associated with plot and characterization in narrative or the use of poetry evoking emotions These literary techniques were intended to convey God's message and involvement in the world Finding God In Scripture will show you that there is more to the Bible than the communication of historical information there is a reality a truth that can transform your life *U-Turn to Paradise* Marilyn D. Olson, 2007-11 This book is a must read for three reasons First no other book can compare It is the most comprehensive work affirming Eternal Security in the history of Christendom Second Dr Olson uses his experience gained as a Lutheran pastor and evangelist to compare the arguments for and against eternal security side by side Third critical aspects of theology underlying Eternal Security that are customarily overlooked or avoided are integrated into each passage as a Theological
