1. Read the following passage and use it to respond to the prompt. (15 points)

I believe that the organizational format of the prompt is topical as it seems to be one section specifically about shopping that comes from a larger article about Value X in general.

Similar passage:

**Once you're at the table**

Once you can sit down at Hell's Kitchen it is an incredible experience for foodies and non-foodies alike. The menu is small, but offers plenty of selection for all diet types. It includes all of the items that are famous from the show like the beef wellington and lobster risotto, as well as a few other Gordon Ramsay favorites. Personally I decided to order the lobster risotto. This was completely the right decision for me because I was completely full by the end. I couldn't eat another bite of the food even though we desperately wanted to. Along with the food, the service was great and all the waiters seemed to be working hard and made the experience even better.
