Penny,1998-08-15 In the world of politics it s hard to separate the truth from the lies In this strongly argued but nonpartisan book Major Garrett and Timothy J Penny draw on their combined decades of experience watching government work to illuminate the deceptions and delusions to which we as citizens are subjected every election season Here are some of the lies Tax Cuts Are Good Social Security Is a Sacred Government Trust Medicare Works Money Buys Elections Republicans Believe in Smaller Government Democrats Are Compassionate     A Second Chance Judge Frederic Block,2024-09-17 A sitting federal judge s lively and provocative recounting of six cases to make the argument for revisiting overly punitive sentences Murderous mafia capos The police officer who brutalized Abner Louima A purveyor of child pornography These are some of the defendants to have come before U S District Court Judge Frederic Block to ask for reductions in their prison sentences All of them have been found guilty and have already served decades in prison but under the 2018 First Step Act they are entitled to petition for reconsideration and release In a rare glimpse behind the bench Judge Block recounts the cases of six incarcerated people who have done heinous things but have nevertheless petitioned him for their release He then explains the criteria the First Step Act has spelled out for his consideration And in a novel twist he asks the reader What would you do Judge Block puts us out of our suspense in a third section of the book where he tells us what he did do in each case and why as he weighs each compassionate release request evaluating issues ranging from the trial tax to sentencing disparities to judicial incompetence Finally Judge Block makes the compelling case that the First Step Act should be extended to state court judges since state prisons house about 90 percent of those incarcerated In a book that could be the basis for a new season of Law Order Judge Block challenges our ideas about punishment and justice

main goals of the government established by that document This book is intended to serve as an alarm both to the well meaning but misled who are unwittingly being used by sinister forces who would destroy our freedoms but also for those who are oblivious to the battle for the palladium of our freedoms the Second Amendment to the Constitution **Field & Stream**, 1988-10 FIELD STREAM America's largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations
