The Distracted Couple Larry Maucieri PhD, Jon Carlson PsyD, 2014-01-23 In total this volume addresses many of the issues that couples face when either one or both partners has ADHD and the many ways that clinicians can help them in dealing with these issues Although historically the diagnosis and treatment of ADHD have focused on children more recently clinicians and researchers have explored the impact of ADHD on adults Few however have focused on the effects of adult ADHD on relationships and marriages which makes this a must read for all of those interested in and working with adults with ADHD Diagnosis and Treatment of Mental Disorders Across the Lifespan Stephanie M. Woo, Carolyn

Keatinge, 2016-02-29 A versatile reference text for developing and applying clinical psychopathology skills Designed to serve as a trusted desktop reference on mental disorders seen across the lifespan for mental health professionals at all levels of experience Diagnosis and Treatment of Mental Disorders Across the Lifespan Second Edition expertly covers etiology clinical presentation intake and interviewing diagnosis and treatment of a wide range of DSM disorders at all developmental stages Unlike other references this book takes a lifespan approach that allows readers to develop the clinical skills necessary to respond to mental health concerns in a patient centered manner Introductory and advanced features support clinicians at every stage of their careers and help students develop their skills and understanding Authors Woo and Keatinge combine a

review of cutting edge and state of the art findings on diagnosis and treatment with the tools for diagnosing and treating a wide range of mental disorders across the lifespan This second edition incorporates the following changes Fully updated to reflect the DSM 5 Chapters have been reorganized to more closely follow the structure of the DSM 5 Cultural and diversity considerations have been expanded and integrated throughout the book A new integrative model for treatment planning Expanded discussion of rapport building skills and facilitating active engagement Identity issues and the fit between client and intervention model has been added to the case conceptualization model Mental health disorders affect patients of all ages and the skilled clinician understands that there are no one size fits all treatments Diagnosis and Treatment of Mental Disorders Across the Lifespan Second Edition will instruct clinicians and students in psychopathology for every life stage Praise for the first edition Reviews This handbook Diagnosis and Treatment of Mental Disorders Across the Lifespan comprehensively integrates best practices necessary for clinicians who deal with a wide range of mental disorders across the continuum of development in a practical applied and accessible manner One of the unique aspects of the book is the length to which the authors go to ensure that the up to date information contained in the book is practical user friendly and accessible to beginners in clinical practice *Applying Theory to Generalist Social Work Practice* Carol L. Langer, Cynthia Lietz, 2014-12-31 The social worker s guide to integrating theory and practice *Applying Theory to Generalist Social Work Practice* teaches aspiring social workers how to apply theory in real world practice Fully aligned with the Council on Social Work Education s 2015 Educational Policy and Accreditation Standards the book links theory to practice with clear concise instruction including a discussion of evidence based practice Twelve commonly used theories are thoroughly explained with discussion of the strengths and limitations of each and applied to real work with individuals groups families communities and organizations The book includes case studies and first person contributions from practicing social workers to illustrate the real world scenarios in which different concepts apply Critical thinking questions help students strengthen their understanding of the ideas presented Tools including a test bank PowerPoint slides and an instructor s manual are available to facilitate classroom use providing a single volume guide to the entire helping process from engagement to termination Practice is a core foundational course for future social workers but many practice texts focus on skills while neglecting the theoretical basis for social work *Applying Theory to Generalist Social Work Practice* fills that gap by covering both skills and theory in a single text Examines the applications of prevailing social theories Covers the most common theories used in micro mezzo and macro practice Helps readers understand well established approaches like strengths perspective humanistic and client centered task centered and solution focused brief therapy Shows how to apply major theories including ecological system cognitive behavioral conflict empowerment narrative crisis critical and feminist An effective social worker recognizes the link between theory and practice and how the two inform each other to culminate in the most effective intervention and most positive outcome for the client *Applying Theory to Generalist Social Work Practice* provides students with a roadmap to

the full integration of philosophy and application in social work
