Organizational Behavior 4 John B. Miner, 2015-03-26 This unique work bridges the gap between theory and practice in organizational behavior. It provides a practical guide to real life applications of the 35 most significant theories in the field. The author describes each theory and then analyzes its usefulness and importance to the successful practice of management. His analysis covers key managerial topics such as goal setting, training and development, assessment, job enrichment, influence processes, decision making, group processes, organizational development, organizational structuring, and effective organizational operation.

Human Resource and Benefits Almas Sabir, 2019-05-20 This book is essential reading for undergraduate, postgraduate, and MBA students, as well as those studying for their CIPD qualifications. With this new, energizing and early content in human asset, the book moves past a prescriptive way to deal with a comprehensive outline of the job of HRM in its contemporary setting. Recognizing and reflecting upon key patterns in HRM, the work showcases and the more extensive economy the creator offers basic discourse of the hypothetical and handy issues encompassing HRM.

Organisational Behaviour Christine Cross, Ronan Carbery, 2022-01-13 This lively and comprehensive introduction to organisational behaviour demonstrates how research into human behaviour can be applied in the workplace. It assumes no prior work experience, instead asking students to draw on everyday occurrences and complete a range of engaging activities to deepen their understanding of key topics such as personality, perception, and motivation. With a focus on helping students to develop key skills useful to future employers, it offers a wealth of real world examples, coverage of contemporary issues, and an international approach. Key features include a global approach to OB, with OB in Practice case studies and OB in the News boxes in every chapter, providing examples from the UK, Ireland, the USA, Kenya, China, Europe, and Asia. A strong emphasis on career development, with a skills development section and corresponding Building Your Employability Skills feature, which helps prepare students for employment. Coverage of contemporary topics such as diversity, healthy workplaces, the metoo movement, and Covid 19. Free access to Bloomsbury Pub Organisational Behaviour featuring interactive simulations, quizzes, and bespoke video interviews with a range of business professionals, as well as a testbank, teaching notes, and teaching slides for lecturers. New to this edition: New chapters on Managing Healthy Workplaces, Managing Diversity, and Organizational Socialisation. Exciting new interactive simulations which put students in the shoes of a manager making difficult decisions. <https://www.bloomsburyonlineresources.com/organisational-behaviour-2-learning-resources-simulations>. New Ethical Behaviour in the Workplace feature that invites students to discuss how they would respond to ethical dilemmas. New Impact of Technology on Behaviour feature which explores topical issues such as AI and computer-mediated communication to uncover how technology is impacting behaviour in the workplace.

Women and Inequality in the 21st Century Brittany Slatton, Carla Brailey, 2019-05-17 Recent books have drawn attention to an unfinished gender revolution and the reversal of gender

progress However this literature primarily focuses on gender inequality in the family and its effect on women s career and family choices While an important topic these works are critiqued for being particularly attentive to the concerns of middle class heterosexual White women and ignoring or erasing the issues and experiences of the vast majority of women throughout the United States and other countries Women and Inequality in the 21st Century is an edited collection that addresses this dearth in the current literature This book examines the continued inequities navigated by women occupying marginalized social positions within a nexus of power relations It addresses the experiences of immigrant women of color aging women normative gender constraints faced by lesbian and gender non conforming individuals assigned the female gender at birth religious constraints on women s sexual expression and religious and ethnic barriers impeding access to equality for women across the globe Contributors to this collection reflect varying fields of inquiry including sociology psychology theology history and anthropology Their works employ empirical research methods hermeneutic analysis and narrative to capture the unique gender experiences and negotiations of diverse 21 st century women
