Hay,2015-09-01 Louise Hays bud er at du skal elske dig selv og gennem dette finde din indre styrke KÆRLIGHEDENS KRAFT handler om de følelsesmæssige barrierer som de fleste mennesker overvinde for at finde kærligheden til sig selv at lære at lytte til og tro på sine fornemmelser at tage hånd om og elske barnet i sig selv at udtrykke sin kreativitet at gøre sig fri af angsten for at blive gammel og at tillade sig selv medgang Den første

Connor was a younger son of a High King Turlough O Connor and Fionn O Reilly was Rory's main sword Both had been afforded a life of privilege that Eoin Finnegan never had Eoin Finnegan lived in an Irish rundale commune an ancient system that Irish Gaels lived by centered around basic survival and sustenance Eoin and her village had to work hard for everything they had and for everything they ate In Ireland in 1166 Rory O Connor and the many Irish overkings nobles and land chieftains that governed their politically fractured island had known nothing but war and turmoil The Irish landscape prohibited the many different sovereign clans and kingdoms from dividing the island's limited resources evenly among them Governing their island this way divided and fractured has led them repeatedly down the same paths to the same conflicts Conflicts that the clans couldn't afford with Irish Gaels and resources stretched too thin already Rory O Connor sought to find a new way as he strove to become High King of Ireland like his father Fionn O Reilly and his small sword clan swung their swords trying to get Rory there so he could enact his vision for a new and united Ireland But even if they get Rory O Connor to the throne it may be too late Old Irish conflicts have brought a new threat to their shores that none of them knew was coming and none of them were prepared for Can the Irish Gaels finally see themselves as one island and unite against the coming threat to save their Gaelic Brehon way of life Or would the same old conflicts pave the roads of Erin towards their destruction
