

## Frequently Asked Questions

### How much does it really cost?

This is dependent upon the things which include your age, your health status, the way you live and the location of your policy, and there is no one-size-fits-all answer for a policy of any amount.

The most important thing to do is to consider how it will get along for a year, and then to look at your own plans for the next five years. If you're taking out a policy that you'll pass, then you'll want to make sure it's going to be there when you need it. It's not a good idea to get a policy that you'll need to pay for for the next five years, but you'll need to make sure it's going to be there when you need it.
