In Between Days

William Hay Macdowall Hunter AITKEN

In Between Days:

In Between Days Andrew Porter, 2012-09-04 Andrew Porter is a born storyteller. He makes his own space instantly and invites you in. Hats off Barry Hannah. From a commanding new voice in fiction comes a novel as perceptive as it is generous: a portrait of an American family trying to cope in our world today: a story of choices and doubts and transgressions. The Hardings are teetering on the brink. Elson, once one of Houston's most promising architects who never quite lived up to expectations, is recently divorced from his wife of thirty years, Cadence. Their grown son, Richard, is still living at home, driving his mother's minivan, working at a local coffee shop, resisting the career as a writer that beckons him. But when Chloe Harding gets kicked out of her East Coast college for reasons she can't explain to either her parents or her older brother, the Hardings' lives start to unravel. Chloe returns to Houston, but the dangers set in motion back at school prove inescapable. Told with piercing insight, taut psychological suspense, and the wisdom of a true master of character, this is a novel about the vagaries of love and family, about betrayal and forgiveness, about the possibility and impossibility of coming home. This eBook edition includes a Reading Group Guide. *In-between Days* Vikki Wakefield, 2016-08-30 Originally published Australia Text Publishing 2015

In-Between Days Teva Harrison, 2016-04-23 2016 Governor General's Literary Award Finalist 2017 Kobo Emerging Writer Prize Winner 2017 Joe Shuster Award Nominee Teva Harrison was diagnosed with metastatic breast cancer at the age of 37. In this brilliant and inspiring graphic memoir, she documents through comic illustration and short personal essays what it means to live with the disease. She confronts with heartbreaking honesty the crises of identity that cancer brings. A lifelong vegetarian, Teva agrees to use experimental drugs that have been tested on animals. She struggles to reconcile her long-term goals with an uncertain future, balancing the innate sadness of cancer with everyday acts of hope and wonder. She also examines those quiet moments of helplessness and loving with her husband, her family, and her friends while they all adjust to the new normal. Ultimately, *In Between Days* is redemptive and uplifting, reminding each one of us of how beautiful life is and what a gift.

In Between Days Luciana Colleoni, 2019-05-04 An epic memoir of heartbreaks, travel, comedy, and the search for meaning. *In Between Days* charts Luciana's journey from childhood to maturity, feeling stuck and hopeless in her home country to finally taking the plunge to build her life away from the known. Leaving family and friends behind and daring to chase her dreams, she jumps out of every comfort box in her path with the single aim of becoming a filmmaker in London. I was recruited as one of the Elegant Post couriers that June and was wondering whether to overcome my boring shyness and maybe send Goblin a small note. That thought came to me as I was returning to the main stalls area from my latest delivery and I was determined to act on it. Fate, however, had other plans. Within my field of vision, the party continued on, but like a time lapse, there stood in the middle of the square, my crush, Goblin, facing another girl I didn't know very close. He had his hands around her waist and hers were around his neck. Only they seemed to exist in that moment and although he had his back to me, I could see the look of love in her eyes. It seemed to happen in slow motion, but they kissed.

and stayed in that spell for a long while I remember the scene like a shock as if it was suspended emotion in my heart like I could not feel the discomfort but I knew it was coming I don't know how long I stood there probably long enough to make sure I wasn't imagining things Phew what if I had sent him a note I would have scrambled egg all over my face for the shame of it to become vulnerable and expose myself and direct my affections where they were unwanted For me these events elicited high drama but mostly in my head I never shared it with anyone but just collected the shattered pieces of my vanity and tried to quieten my heart until things turned out the way I wanted
