A Great Deliverance Elizabeth George, 2010-12-08 To this day the low thin wail of an infant can be heard in Keldale's lush green valleys Three hundred years ago as legend goes the frightened Yorkshire villagers smothered a crying babe in Keldale Abbey where they'd hidden to escape the ravages of Cromwell's raiders Now into Keldale's pastoral web of old houses and older secrets comes Scotland Yard Inspector Thomas Lynley the eighth earl of Asherton Along with the redoubtable Detective Sergeant Barbara Havers Lynley has been sent to solve a savage murder that has stunned the peaceful countryside For fat unlovely Roberta Teys has been found in her best dress an axe in her lap seated in the old stone barn beside her father's headless corpse Her first and last words were I did it And I'm not sorry Yet as Lynley and Havers wind their way through Keldale's dark labyrinth of secret scandals and appalling crimes they uncover a shattering series of revelations that will reverberate through this tranquil English valley and in their own lives as well In the Presence of the Enemy Elizabeth George, 2008-05-06 Hailed as the king of sleaze tabloid editor Dennis Luxford is used to ferreting out the sins and scandals of people in exposed positions But when he opens an innocuous looking letter addressed to him at The Source he discovers that someone else excels at ferreting out secrets as well Ten year old Charlotte Bowen has been abducted and if Luxford does not admit publicly to having fathered her she will die But Charlotte's existence is Luxford's most fiercely guarded secret and acknowledging her as his child will throw more than one life and career into chaos Luxford knows that the story of Charlotte's paternity could make him a laughingstock and reveal to his beautiful wife and son the lie he's lived for a decade Yet it's not only Luxford's reputation that's on the line it's also the reputation and career of Charlotte Bowen's mother For she is Undersecretary of State for the Home Office one of the most high profile Junior Ministers and quite possibly the next Margaret Thatcher Knowing that her political future hangs in the balance Eve Bowen refuses to let Luxford damage her career by printing the story or calling the police So the editor turns to forensic scientist Simon St James for help It's a case that fills St James with disquiet however for none of the players in the drama seem to react the way one would expect Then tragedy occurs and New Scotland Yard becomes involved Detective Inspector Thomas Lynley soon

discovers that the case sends tentacles from London into the countryside and he must simultaneously outfox death as he probes Charlotte Bowen's mysterious disappearance. Meanwhile his partner Detective Sergeant Barbara Havers working part of the investigation on her own and hoping to make the coup of her career may be drawing closer to a grim solution and to danger than anyone knows. In the Presence of the Enemy is a brilliantly insightful and haunting novel of ideals corrupted by self interest of the sins of parents visited upon children and of the masks that hide people from each other and from themselves.

Just when Azhar is beginning to accept his soul-crushing loss, he gets more shocking news: Hadiyyah has been kidnapped from an Italian marketplace. As both Barbara and her partner, Inspector Thomas Lynley, soon discover, the case is far more complex than a typical kidnapping, revealing secrets that could have far-reaching effects outside of the investigation. With both her job and the life of a little girl on the line, Barbara must decide what matters most and how far she's willing to go to protect it.

Something to Hide Elizabeth George, 2022-11-03 A hugely complex and entertaining novel. Star Pick. The Times Crime Club. Elizabeth George delivers another intelligent, intricate mystery. The post-mortem reveals that the subdural hematoma is the result of a blow to her head. DI Thomas Lynley, DS Barbara Havers and DS Winston Nkata are called in to investigate a case that touches upon not only the work and the life of the murdered detective but also upon a controversial cultural tradition that damages and often destroys the future of everyone it involves.

In Pursuit of the Proper Sinner Elizabeth

George,2009-03-24 Calder Moor is a wild and deadly place many have been trapped in the myriad limestone caves lost in collapsed copper mines injured on perilous gritstone ridges But this time when two bodies are discovered in the shadow of the ancient circle of stones known as Nine Sisters Henge it is clearly not a case for Mountain Rescue The corpses are those of a young man and woman Each met death in a different fashion Each died violently To Detective Inspector Thomas Lynley brought in to investigate by special request this grisly crime promises to be one of the toughest assignments of his career For the unfortunate Nicola Maiden was the daughter of a former officer in an elite undercover unit a man Lynley once regarded as a mentor Now as Lynley struggles to find out if Nicola's killer was an enemy of her father's or one she earned herself a disgraced Barbara Havers determined to redeem herself in the eyes of her longtime partner crisscrosses London seeking information on the second murder victim Yet the more dark secrets Lynley and Havers uncover the more they learn that neither the victims nor the suspects are who they appear to be And once again they come up against the icy realization that human relationships are often murderous and that the blood that binds can also kill

This Body of Death Elizabeth

George,2010-04-20 After a woman is found dead in an isolated cemetery Inspector Thomas Lynley and his former partner Barbara Havers find that the roots of the crime trace to a long ago act of violence that has poisoned subsequent generations

For the Sake of Elena Elizabeth George,2008-04-15 Elena Weaver was a surprise to anyone meeting her for the first time In her clingy dresses and dangling earrings she exuded a sexuality at odds with the innocence projected by the unicorn posters on her walls While her embittered mother fretted about her welfare from her home in London in Cambridge where Elena was a student at St Stephen's College her father and his second wife each had their own very different image of the girl As for Elena she lived a life of casual and intense physical and emotional relationships with scores to settle and goals to

achieve until someone lying in wait along the route she ran every morning bludgeoned her to death Unwilling to turn the killing over to the local police the university calls in New Scotland Yard Thus Detective Inspector Thomas Lynley and his partner Detective Sergeant Barbara Havers enter the rarefied world of Cambridge University where academic gowns often hide murderous intentions For both officers the true identity of Elena Weaver proves elusive Each relationship the girl left behind casts new light both on Elena and on those people who appeared to know her best from an unsavory Swedish born Shakespearean professor to the brooding head of the Deaf Students Union What s more Elena s father a Cambridge professor under consideration for a prestigious post is a man with his own dark secrets While his past sins make him neurotically dedicated to Elena and blind to her blacker side present demons drive him toward betrayal
