 the Alaskan Panhandle is a book of short stories set in southeast Alaska on an archipelago about the size of Florida There are  
 not many people and most of them live in a few small scattered towns Some live in the more remote areas of the thousands of  
 miles of coastline and hundreds of backwater bays and coves making a living at whatever is available Alaska is a place where  
 geography and weather dictate human behavior and that could mean eating the same dried beans rice deer meat and fish for  
 a good part of the year With no freeways and little law enforcement a 911call means contacting the Coast Guard people must  
 learn to be self sufficient especially in times of emergencies Sometimes people make their own solutions to solve problems If  
 a solution doesn t work and you re still alive it s time to try another The folks that live in this remote part of Alaska do  
 whatever it takes to make it work There s a freedom that can t be had in civilization but the price is high These are their
