

The background of the cover is a vibrant cosmic scene. In the upper left, a large, detailed Earth is visible, showing continents and clouds. To its right, a bright star or comet streaks across the dark blue and teal space. In the upper right, a large, pinkish-purple nebula or galaxy is partially visible. The lower half of the cover is dominated by a large, translucent, blue and purple structure that resembles a biological cell or a complex molecular structure, with internal details and a glowing effect. This structure is partially obscured by the title text.
