House Calls Callaghan Brothers Book English Edition:

House Calls Abbie Zanders,2015-01-05 Maggie Flynn has always been a good girl She leads a simple life and believes in helping others Under normal circumstances she would never even consider performing the dance of the seven veils at a bachelor party But when her best friend begs for help and waves the promise of much needed cash in her face Maggie reluctantly agrees to step outside of her comfort zone and relax her lofty standards a little Most doctors don t make house calls anymore including Michael Callaghan But he s willing to make an exception when the pretty redhead with the jewel like green eyes takes a header off the stage at his brother s bachelor party Something about her piques his masculine interest and it s not just her dancing Lightning hits the Callaghan clan a third time when Michael and Maggie find themselves snowbound during a classic nor easter but their bond is soon tested when Michael is forced to choose between following his finely honed instincts and respecting Maggie s wishes It s a hell of a choice Either way he could lose her forever *Maiden in Manhattan* Abbie Zanders,2014-09-23 How far would you go to find your soul mate Little did Scottish peasant girl Isobeille Aislinn McKenna know that when she prayed for divine intervention in 1414 that her desperate plea would be answered by throwing her six hundred years into the future right into the path of a bus in the heart of one of the busiest cities on the East Coast Thankfully Nick Peterson was there to tackle her out of its path He s not happy about it but both his conscience and his protective instincts kick in in a big way when he realizes Isobeille has nowhere else to go But how is he going to explain her to his girlfriend **The International Who's who** H. that have until now been matters only of speculation and rumor Did he have an affair with Kay Summersby his wartime driver Why did he have so much trouble with Field Marshal Montgomery Did the Columbia University trustees appoint him by accident as campus whispers claimed in a bungled attempt to offer the university presidency to his brother Milton Just how did he bring the Korean War to an end within months of becoming president What did he really think of Richard Nixon Geoffrey Perret the author of *Old Soldiers Never Die* The Life of Douglas MacArthur as well as *There s a War to Be Won* an acclaimed history of the United States Army in World War II is uniquely qualified to write this new life of Dwight D Eisenhower a work that is worthy of its remarkable and controversial subject **The United States Catalog** ,1925 **The**
