1977 NASA Authorization United States. Congress. House. Committee on Science and Technology. Subcommittee on Space Science and Applications, 1975 **Field-Assisted Sintering** Eugene A. Olevsky, Dina V. Dudina, 2018-08-09 This book represents the first ever scientific monograph including an in depth analysis of all major field assisted sintering techniques Until now the electromagnetic field assisted technologies of materials processing were lacking a systematic and generalized description in one fundamental publication this work promotes the development of generalized concepts and of comparative analyses in this emerging area of materials fabrication This book describes modern technologies for the powder processing based fabrication of advanced materials New approaches for the development of well tailored and stable structures are thoroughly discussed Since the potential of traditional thermo mechanical methods of material treatment is limited due to inadequate control during processing the book addresses ways to more accurately control the resultant material's structure and properties by an assisting application of electro magnetic fields The book describes resistance sintering high voltage consolidation sintering by low voltage electric pulses including spark plasma sintering flash sintering microwave sintering induction heating sintering magnetic pulse compaction and other field assisted sintering techniques Includes an in depth analysis of all major field assisted sintering techniques Explains new techniques and approaches for material treatment Provides detailed descriptions of spark plasma sintering microwave sintering high voltage consolidation magnetic pulse compaction and various other approaches when field assisted treatment is applied *Flash Flood Forecasting* A. J. Hall, World Meteorological Organization, 1981 **1977 NASA Authorization: part 1, hearings held Oct. 13-Nov. 18, 1975** United States. Congress. House. Committee on Science and Technology. Subcommittee on Space Science and Applications, 1975 Supreme Court, *Nations of the World: Abbott, J. S. C. Italy*, 1898 Animals in Space Colin Burgess, Chris Dubbs, 2007-07-05 Many readers will doubtless be astonished to learn that animals were being fired aloft in U S and Soviet research rockets in the late 1940s In fact most people not only believe that the Russian space dog Laika was the first canine to be launched into space but also that the high profile precursory Mercury flights of chimps Ham and Enos were the only primate flights conducted by the United States In fact both countries had sent literally dozens of animals aloft for many years prior to these events and continued to do so for many years after Other latter day space nations such as France and China would also begin to use animals in their own space research *Animals in Space* will explain why dogs primates mice and other rodents were chosen and tested at a time when dedicated scientists from both space nations were determined to establish the survivability of human subjects on both ballistic and orbital space flights It will also recount the way this happened the secrecy involved and the methods employed and offer an objective analysis of how the role of animals as spaceflight test subjects not only evolved but subsequently changed over the years in response to a public outcry led by animal activists It will explore the ways in which animal high altitude and space flight research impacted on space flight

biomedicine and technology and how the results both successful and disappointing allowed human beings to then undertake that same hazardous journey with far greater understanding and confidence This book is intended as a detailed yet highly readable and balanced account of the history of animal space flights and the resultant application of hard won research to space technology and astrobiology It will undoubtedly become the ultimate authority on animal space flights New York Court of Appeals. Records and Briefs. New York (State). Court of Appeals.,1916 Volume contains 226 NY 38 United P B Co v Iroquois P P Co 225 NY 716 Whitman v Munnich 225 NY 690 Young v International Motor Co **Conference on Aviation, Range, and Aerospace Meteorology** ,1999 All Rise Dikgang Moseneke,2021-08-02 At the young age of fifteen Dikgang Moseneke was imprisoned for participating in anti apartheid activities During his ten years of incarceration he completed his schooling by correspondence and earned two university degrees Afterwards he studied law at the University of South Africa After some years in general legal practice and at the Bar and a brief segue into business Moseneke was persuaded that he would best serve the country s young democracy by taking judicial office All Rise covers his years on the bench with particular focus on his fifteen year term as a judge at South Africa s apex court the Constitutional Court including as the deputy chief justice His insights into the Constitutional Court s structures the personalities peopling it the values it embodies the human dramas that shook it and the cases that were brought to it make for fascinating reading From the Constitutional Court of Arthur Chaskalson to the Mogoeng Mogoeng era Moseneke s understated but astute commentary is a reflection on the country s ongoing but not altogether comfortable journey to a better life for all
