# Leaving Laodicea A Christian S Guide To Biblical Wealth Management

**Calvin Lipscomb**

## **Leaving Laodicea A Christian S Guide To Biblical Wealth Management:**

**Managing God's Money** Randy Alcorn, 2011 Jesus says more about how we are to view and handle money and possessions than about any other topic including both heaven and hell Alcorn breaks down exactly what the Bible has to say about how we are to handle our money and possessions in a simple easy to follow format **Help! I Tithe, But I'm Still Broke!** Hakeem J. Webb, 2008 **HELP I TITHE BUT I M STILL BROKE** Is a groundbreaking easy to read easy to apply Christian guide to finances written from real life experience of applying Biblical financial principles to arise from poverty to prosperity Hakeem J Webb utilizes 15 years of wealth management experience as well as a lifetime of practical application to break down the mysteries of personal finance into understandable terms that are simple and easy to apply to day to day life His application of finances to Biblical standards is not only inspiring and confidence building but also transforming in that by following the prescribed methods lives can come into balance and prosper Hakeem approaches Biblical personal finances from the standpoint that believers in Christ have a special right to receive wealth and achieve goals and dreams But this right comes with responsibility to fulfill the Great Commission in spreading the Gospel The Biblical truths and practical strategies found in **HELP I TITHE BUT I M STILL BROKE** Can help God s children get in a position to receive their promised inheritance bringing readers to a full understanding of The Prosperity of God s People The Financial Reversal Cycle 11 Basic Keys For Better Investing The truth About Tithing Money It s Purpose and History The Scope Of Financial Planning Before You Say I do God s Supernatural Cycle of Provisions The Seed That Never Ends Tithing at Death and much more This book serves as a very important primer to financial success [6 Minutes to Financial Freedom](#) Anson Massey, 2003-04 For years the church has been mystified about the topic of money Some church traditionalists believe that if a Christian talks about money it is a sign of greed Consequently the church makes up some of the least educated individuals in our country on the topic of money and investing Most people don t realize that God has a divine plan for money in the life of a Christian As a matter of fact there are twice as many scriptures in the Bible dealing with finances estate planning and relationships as there are verses on salvation and heaven or hell Even though God has already given us 66 books on financial management Christians still ask blind financial questions in the church such as am I supposed to be poor Does God have anything to say about credit cards Will I ever get out of debt How do I clear my credit What does faith have to with money Why do I have to tithe Does God bring bad stuff on me **6 Minutes to Financial Freedom** is designed to solve the Christian s dilemma of trying to figure out how to tap into God s financial plan This book starts off with my recount of the events of my aneurysm a little over one year ago and then proceeds into the proverbial question what is the meaning of life This question is eloquently answered and then the discussion shifts to the most powerful human asset on earth the mind because every person is where he or she is financially because of who they are mentally The reader then embarks upon the odyssey of trying to understand how their financial plight began Since 98% of people in America who work a job for 40 years to retirement are either dead or dead

broke it is fair to say that everyone needs a plan B The distinction between good debt and bad debt is addressed along with the traps of high interest credit cards We show our readers where the Bible and the best financial minds in print agree We call this place Utopia because if you can hone in on these areas you will have a financial plan that is both spiritually and tactically sound This book also gives the reader the chance to find salvation because we believe that this book will have appeal both in and out of the Christian community Therefore this topic is absolutely essential to the overall message of the book and will be found in any other 6 Minutes series books This book provides the reader the chance to ask Jesus to come into their life as their personal savior And once an individual understands the importance of a personal relationship with God we then introduce a daily spiritual game plan The concept of 6 Minutes is summarized as follows tithing is a key concept in the Bible that applies to every area of life In particular people are more important to God than their money Therefore for believers to begin developing their personal relationship with God we advise them to start tithing their time A tithe is 10% So 10% of an hour is 6 minutes They start by devoting 6 minutes of every waking hour to God and before they know it their relationship with God begins to flourish and once that happens they are truly on your way to lasting financial freedom Thus the title 6 Minutes to Financial Freedom and actually with God as the foundation an individual could literally be only 6 Minutes away from anything they need from God This is important because some people in society are rich today broke tomorrow This is not God s desire for His people To highlight God s plan there is a road map in the book that is the single most important page in the entire book because this foundation forming document will be the genesis of every other 6 Minutes series book It will also guide a Christian out of poverty and into prosperity To add the finishing touches the book is wrapped up at the end with a nice tight bow of all the 250 scriptures used throughout the book just in case the reader happens to be in a place where a Bible is not handy Christians have no more excuses for being financially illiterate God is looking for good stewards and You are just 6 minutes away from anything you will ever need from God     **Path to**

**Abundant Living** Calvin Lipscomb,2017-08-17 YOUR FAITH BASED GUIDE TO FINANCIAL HEALTH It s at church where many of us learn the lessons that carry us through life We learn to respect others to be patient and to do the right thing Unfortunately the church often fails to teach us one of the most important lessons needed in today s world how to manage our money Through speaking with countless individuals financial planner Calvin Lipscomb discovered this gap and with Path to Abundant Living he hopes to impart guidance to those seeking a healthy financial life Although the Bible includes fundamental teachings about money it doesn t tell us specifically how to manage taxes deal with debt or prepare for retirement Inside this book you ll find tips and strategies to do all of this and much more The Lord expects us to wisely save and multiply our money so that we may build greater resources to do his work While we mustn t worship money it s our duty to manage our finances with care and wisdom no matter your circumstances     Making Change Ken Hemphill,2006-06-01 Making Change presents the essential basics of money management for Christians and then casts a greater added vision to

the church and individuals of how our God given financial resources can change lives for the sake of His kingdom Author Ken Hemphill begins by helping readers discover the blessing of contentment rather than the gnawing curse of greed and shares helpful instructions on debt reduction earning saving and spending He also addresses the biblical laws of giving and teaches an inspiring concept of whole life stewardship that can lead to a person s legacy And that s worth more than anything money could ever buy

**Joyful Wealth Management** RUSSELL JAMES (III.),2025-03-12 Joyful Wealth Management A Bible Study Discussion Guide invites you on an uplifting journey to discover true contentment purposeful generosity and genuine joy in your financial life Written by Dr Russell James III Professor of Financial Planning at Texas Tech University and former President of Central Christian College of the Bible this guide blends practical money management insights with profound biblical wisdom from 1 Timothy 6 Joyful Wealth Management isn t just about money it s about embracing a richer life It s about rewriting your financial story so that years from now you can look back and say I really took hold of that which is truly life Whether you have limited means or substantial assets this guide will empower you to experience greater peace deeper connections within your faith community and the profound fulfillment of using all God has provided joyfully and purposefully Open this study engage in honest discussion and watch how contentment generosity and true life unfold in ways you never expected Take the next step toward joyful wealth management and discover how much richer life can be when guided by biblical wisdom meaningful action and the promise of lasting joy

*The Legacy Journey* Dave Ramsey,2014-10-01 What does the Bible really say about money About wealth How much does God expect you to give to others How does wealth affect your friendships marriage and children How much is enough There s a lot of bad information in our culture today about wealth and the wealthy Worse there s a growing

backlash in America against our most successful citizens but why To many wealth is seen as the natural result of hard work and wise money management To others wealth is viewed as the ultimate inexcusable sin This has left many godly men and women confused about what to do with the resources God s put in their care They were able to build wealth using God s ways of handling money but then they are left feeling guilty about it Is this what God had in mind Biblical Wealth Management Yoon S. Shin, 2025-06-03 This book uses Bible verses to present the following principles and strategies of biblical wealth management Invest in public companies where ownership and management are separate Make a long term investment with a minimum of 10 years Apply the principles of asset diversification and time diversification Do not borrow money to invest Invest in financial assets with periodic cash flows that can earn compound interest Invest in pooled financial assets such as mutual funds or exchange traded funds Buy index funds in regular intervals to maximize the effect of time diversification Choose to invest rather than save Invest in sound businesses Do not rely on speculation Maximize earned income in the workplace and invest a portion of the earned income for retirement Equip with vision and mission from Biblical perspectives and arm oneself with Biblical work ethics to maximize earned income Additionally this book explains the difference between saving investing and speculating through a biblical lens and describes diverse savings instruments It defines speculation and warns that buying and selling speculative assets can drive one into poverty destroying oneself and one s family Moreover this book explains retirement plans such as 401 k and Roth IRA and teaches how to create private pensions to prepare for the 20% cut of Social Security benefits in 2034 when the Social Security Trust Funds will be exhausted The purpose of biblical wealth management is to be a channel of blessing for Christians through biblical investing According to the Ten Commandments and Matthew 22 36 40 the core values of the Bible are love of God and love of neighbor We often need money to practice love of neighbor When we are young we can use the income we earn from our jobs to help our neighbors In retirement we can use our investment income to help our neighbors From a biblical perspective this book teaches us how to maximize earned and investment income Existing devotional books on finances mainly focus on managing income and spending including tithing They mainly teach Christians to have good biblical values about money This book on the other hand is the first on biblical investing and retirement planning It s practical and applicable to real life This book is a product of interdisciplinary studies between theology and finance The time in which the Bible was written was an agrarian society that required the labor of the entire family Thus there was no retirement age However in the case of the prophet Isaiah he retired and established a prophet s school in his hometown of Ramah Nahor 1 Samuel 19 18 24 to train disciples He required great wealth to provide for his disciples After retirement a healthy Christian should be able to fulfill the ministry God has given them in the second act of life for more than 20 years according to current life expectancy This book can help us prepare financially for our ministry after retirement If we do not invest while still earning we will have financial hardship in retirement making it challenging to fulfill the ministry Since the Bible was written so long ago some people say that its

teachings are outdated and unappealing to modern life Of course I do not think many of these people have read and studied the Bible correctly Most churches today emphasize personal salvation over social salvation In this book I will discuss the incredible power of social salvation through Biblical wealth management *Biblical Faith Meets Financial Strategy, 2nd ed.* Johnny McWilliams, 2022-09-20 Prosperity resides where prayerful planning financial freedom and radical relationships intersect Do you have a healthy connection with all financial matters Have you ever wondered what the Bible has to say about money Do you want to know the best way to build wealth Would you like to have contentment in every aspect of life at work and home with family and friends at church and in your community Do you want to know how to better manage money The scriptures teach us to be in a relationship with God Your Heavenly Father wants you to live a prosperous life and build wealth The Bible teaches you the proper way to handle those finances The final four chapters of this book will show you how financial prosperity and the fruit of the Spirit intersect Once you understand and begin living by these foundational truths your heart will overflow with love joy and peace Your actions will be purposeful with patience kindness and goodness And your thoughts will be faithful and meek with self control These are not only Christian financial concepts and principles these are financial truths It s time for you to RECOVER GROW and ZERO IN on your financial target Here are some of the faith strategy intersections you will read about and be able to apply immediately Your dreams Your life Prayer Patience Your destiny God s will King Jesus Servant Jesus Your Purpose Your Position The INTERSECTION series includes the titles below Biblical Faith Meets Financial Strategy 2nd ed How to Lay a Solid Foundation for Prosperity God s Ownership Meets Money Management How to Be a Good and Faithful Steward Divine Provision Meets Generosity Planning How to Live Life to the Fullest While Richly Giving and the following companion for a deeper study Setting Your Sights on the Intersection 90 Day Devotional Journal About the book series INTERSECTION Where God s Wealth Meets God s Wisdom Imagine yourself at the shooting range aiming at a target To ensure your aim is accurate you look for a calibrated point of reference There are two engraved lines to give you a single place to focus on when aiming at a target The two lines cross at this spot and create what is known as crosshairs Crosshairs are composed of two wires or lines one parallel and the other perpendicular to the horizon The area that you are focused on is where the two lines intersect The objective is to align the crosshairs with the bullseye Aiming to hit the bullseye requires precision and using the simple principle of intersecting lines you can easily pinpoint that target When peering through the scope of your financial future the strategy is the same The two dimensions are God s Wealth vertical and God s Wisdom horizontal Once you have these two crosshairs in focus and zeroed in you can aim right at the center of your target and hit it consistently If you want to pinpoint your financial destiny you need to zero in on your target not someone else s mark The simple tool needed for pinpoint accuracy is the crosshairs and one of the most critical steps is knowing where you are aiming The blessings come where the two lines meet Get ready to manage money according to the Word of God and live a prosperous life Your Finances God's Way Workbook Scott LaPierre, 2022-05-03 Presents a

clear path to financial joy Mary Hunt financial expert speaker bestselling author founder of Debt Proof Living Exchange Financial Fears for Freedom How can I take control over impulsive spending habits How do I make up for not saving sooner How should I prepare in case of an unplanned financial burden Money can easily become a source of anxiety but a sound understanding of your finances and a proactive plan for your future will put those fears to rest This companion workbook to Your Finances God s Way guides you deeper into the Bible s financial wisdom while leading you to create your own plan for money management Perfect for individual use or for group study you ll find thoughtful questions for self reflection illuminating verses from Scripture helpful guidelines for creating a personalized strategy for spending saving giving and paying off debt As believers part of living out the call in 1 Corinthians 6 12 to not be dominated by anything means making sure that we are in control of our spending and not the other way around This workbook will give you the tools you need to take charge of your money find peace with your finances and use every resource God has given you for His glory Biblical Wealth: The Psychology of the Bible Kit H. **Money in the Bible** J. Pitterson,2024-09-25 **Money in the Bible** Money Prosperity and Wealth offers a powerful exploration of the Bible s teachings on money This insightful book offers a comprehensive view of how God views wealth not as something to be feared or avoided but as a tool to be managed wisely and used for good In today s world where financial success is often pursued without regard for spiritual or ethical values

Money in the Bible presents a refreshing perspective. It reveals how wealth throughout Scripture represents not only material gain but also spiritual responsibility. From patriarchs like Abraham, David, and Solomon to the teachings of Jesus, the book shows how wealth and faith can coexist in harmony when approached with wisdom, generosity, and humility. Money in the Bible helps readers break free from long-held misconceptions and fears about money. It shows that God is not against wealth but He warns against letting it become an idol. Instead, this book guides you through biblical principles of financial management, teaching you how to build wealth while remaining grounded in faith. You will learn to accept God's true intentions for wealth and prosperity, free yourself from the fear of money often caused by false teachings, build a life of financial abundance while maintaining a solid spiritual foundation, master the biblical principles of generosity, stewardship, and financial responsibility, avoid the spiritual pitfalls of making money your master. Whether you are looking to improve your financial situation, better understand God's plans for prosperity, or simply want to understand the Bible's view of money, Money in the Bible offers a balanced and inspiring approach to wealth management according to biblical principles. This book will transform the way you view and manage money, helping you align your financial goals with your spiritual values. Perfect for believers, businesspeople, and anyone seeking wealth wisdom, it offers timeless advice on how to tackle money challenges with faith, integrity, and determination.

**Using Your Money Wisely** Larry Burkett, 1990-06-12. Nearly 80 percent of all divorced couples between the ages of 20 and 30 list financial difficulties as the primary cause of their separation. Even some of the most dedicated Christians are facing the perils of bankruptcy and overextended credit. We are seeing just some of the effects of living in a materialistic society. Larry Burkett, renowned for his Christian Financial Concepts ministry, dedicated himself to helping people understand what the Scripture says about finances. Through a series of outstanding articles taken from CFC newsletters, *Using Your Money Wisely* clearly demonstrates God's principles for prudent money management.

**Financial Faithfulness** Roger Gum, 2022-02-22. One of the great challenges of life is to limit distractions in order to focus on what matters the most. Regardless of how much or little we have, issues of money threaten to sidetrack us. If we have a lot of money, we fear losing what we possess. We are tempted to put our hope in our wealth instead of God. If we don't have so much, we stress about not having enough to provide for our families and are often consumed with the desire for more. *Financial Faithfulness* seeks to change your view of money by showing you how to use it in God's best interest. When it comes to managing money, this question is crucial: What is required from me to be a faithful steward? As you begin to see riches from a biblical perspective, you can experience the financial freedom and peace of mind that everyone desires but few find. Free study guides and other resources are available at [www.FinFaith.com](http://www.FinFaith.com).

**Biblical Principles of Prosperity** Joel Lopez, 2016-01-30. As the founder of the National Association of Asset Recovery, Joel Lopez spent years developing very successful money management systems working in everything from resolving financial issues on the corporate level to helping college students accomplish their goals. His job assisting his clients in the recovery of lost or abandoned money made him notice the struggles

people have with financial management He realized that he was called to help people with their financial problems as well as to teach them to do it based on the biblical principles In addition his mission is not only to help others reach their financial goals but to also raise the contribution level in the church The author clearly sees the way to prosperity and he can share the fast track with you I want you to learn how to build your financial success by budgeting eliminating debt and planning for retirement says Joel Lopez He also goes on to say The Father set provisions for His children to have their needs met as well as enough to help others and sow into the kingdom This book shows practical steps with instruction on how to negotiate demand and resolve most credit or debt issues legally so anyone can employ to break out of the bonds of financial hardship as well as walk in their inheritance as a child of God A large portion of this book focuses on a proven debt elimination and credit repair system The book includes over 10 different types of letters and instructions regarding credit repair and debt elimination using these letters has given many the results of an increased credit score and removed entire balances within 30 90 days Learn over 20 of collection agencies most commonly used illegal tactics and how to legally get paid 1 000 each time they violate them Tell bill collectors to cease communication and get paid if they continue to harass you This book also includes a six step investment guide that follows biblical reasoning to meet every financial challenge you may face from decisions on stocks to gold Christians and non Christians need to read this book again and again it will change the way you think about money with the 7 proven principles in this book are guaranteed to show you how to prosper Order your copy now
