

## Exercise 6

- 15** A new sports centre has recently opened in your town. Last week, you went there with a group of your friends. You have decided to write a review of the sports centre for your school magazine.

Here are some comments from your friends:

*I wasn't impressed by  
the food in the café.*

The staff gave us a  
really good tour of the  
sports centre.

There were some problems  
with the changing rooms.

I liked the choice  
of activities and  
classes.

**Write a review for your school magazine, giving your opinion.**

The comments above may give you some ideas, and you can also use some ideas of your own.

**Your review should be between 100 and 150 words long.**

You will receive up to 6 marks for the content of your review, and up to 6 marks for the language used.

**The Shifting Global World of Youth**

**and Education** Mabel Ann Brown, 2017-08-15 The Shifting Global World of Youth and Education explores how increasing migration and population changes are having an unprecedented impact on global education. Given that the number of children of migrant background is growing internationally, there is a need for increasing awareness of the educational attainment and cultural integration of this population group. This book presents international perspectives on migration and youth and analyses what kinds of effects such demographic changes are having on educational systems around the world. The chapters in this volume provide a fascinating insight into how countries around the world are dealing with loss or growth in their young population as well as changes to their education systems. Written by specialist academics from the relevant country, the book covers Cuba, Lithuania, the United Kingdom, the United States, Finland, Greece, Germany, Austria, Hungary, Latvia, China, Australia, India, Italy, and Poland. Taking into consideration the countries' social and political context, the chapters discuss educational issues surrounding curriculum assessment and the opportunities available for the support of young people. Conclusions are drawn about what could be done in the future for the benefit of both the migrant and the existing populations. The Shifting Global World of Youth and Education will be of great interest to academics, researchers, and postgraduate students in the disciplines of education, sociology, political sciences, and social work. The book will also give secondary teachers, teaching assistants, social workers, and youth workers the opportunity to reflect on their role within a national and international context.

New Perspectives on Willingness to Communicate in a Second Language Nourollah Zarrinabadi, Mirosław Pawlak, 2021-05-03 This edited collection provides a state-of-the-art overview of research on willingness to communicate (WTC) in a second and foreign language. In particular, it includes innovative studies seeking to demonstrate the ways in which WTC can be examined within the framework of complex dynamic systems, how the construct is related to self-assessment, reticence, and extroversion, and what it signifies in the case of immigrants. Another group of papers is related to the role of technology in fostering WTC in different contexts. The volume also comprises papers that touch on methodological issues in the study of WTC, such as experience case sampling, the network approach, or the integration of the macro and micro perspective. The book will be of value to researchers interested in the study of WTC but will also provide inspiration for students, teachers, and materials writers.

**International Student Engagement in Higher Education** Margaret Kettle, 2017-06-15 Hand in hand with the continuing drive to recruit international students to Western universities goes an interest in student engagement. However, it is often unclear exactly what is meant by engagement. This book goes beyond the policy rhetoric to provide a practice-based explication of international student engagement and its enabling institutional conditions. By utilising a social practice conceptual model, the book explains the multiple dimensions of engagement that are often conflated in policy: the antecedents to engagement, the actions of engaging, and the achievements and outcomes of engagement. As a result, the book is able to address issues such as how English comes to matter in international student

academic practice the teaching and assessment approaches that promote international student engagement and the metacognitive cognitive and affective strategies that international students use to achieve academic and personal transformation

**Understanding Silence and Reticence** Dat Bao, 2014-02-25 What is the state of that which is not spoken This book presents empirical research related to the phenomenon of reticence in the second language classroom connecting current knowledge and theoretical debates in language learning and acquisition Why do language learners remain silent or exhibit reticence In what ways can silence in the language learning classroom be justified To what extent should learners employ or modify silence Do quiet learners work more effectively with quiet or verbal learners Looking at evidence from Australia China Japan Korea and Vietnam the book presents research data on many internal and external forces that influence the silent mode of learning in contemporary education This work gives the reader a chance to reflect more profoundly on cultural ways of learning languages

**The Routledge Handbook of Language Awareness** Peter Garrett, Josep M. Cots, 2017-11-06 The Routledge Handbook of Language Awareness is a comprehensive and informative overview of the broad field of language awareness It contains a collection of state of the art reviews of both established themes and new directions authored and edited by experts in the field The handbook is divided into three sections and reflects the engaging diversity of language awareness perspectives on language teaching and teachers language learning and learners and extending to additional areas of importance that are less directly concerned with language instruction In their introductory chapter the editors provide valuable background to the language awareness field along with

their summary of the chapters and issues covered A helpful section giving further reading suggestions for each of the chapters is included at the end of the book This volume is essential reading for graduate students and researchers working in the sphere of language awareness within applied linguistics sociolinguistics and across the wider spectrum of language and communication **GLOBALISATION AND TRANSITIONAL IDEOLOGIES** Ernest L. VEYU, Stephen A.

MFORTEH, 2021-11-22 The papers in this volume define the departure from the margin to the centre assess emerging literatures and shifting language concerns dismantle the hegemony of colonial English propose alternatives to the imperialism that underlies globalisation and question hegemonic assumptions in language and literature **Fluency and Disfluency Across Languages and Language Varieties** Liesbeth Degand, Gaëtanelle Gilquin, Laurence Meurant, Anne Catherine Simon, 2019-03-08 Fluency and disfluency are characteristic of online language production and may be signalled by markers such as filled and unfilled pauses discourse markers repeats or self repairs which can be said to reflect ongoing mechanisms of processing and monitoring The Fluency Disfluency across Languages and Language Varieties conference held at the University of Louvain in February 2017 marked the closing of a five year research project dedicated to the multimodal and contrastive investigation of fluency and disfluency in L1 and L2 English French and French Belgian sign language with a focus on variation according to language speaker and genre The closing conference was intended as an opportunity to further expand the range of languages language varieties and genres studied from the dis fluency perspective The selection of papers in this volume reflects the diversity of approaches aiming to uncover the ways in which fluency and disfluency are conceived in language production and comprehension and how they are signalled Topics include methodological challenges in cross linguistic dis fluency research the role of contextual features in professional and non professional settings and the characteristics of fluency and disfluency in second language speech Of particular importance in all contributions is the ambivalent role of pauses discourse markers repeats and other markers which can be both a symptom of encoding difficulties and a sign that the speaker is trying to help the hearer decode the message They should thus be interpreted in context to identify their contribution to fluency and or disfluency which can be viewed as two sides of the same coin **Improving**

**and extending quantitative reasoning in second language research** John M. Norris, Steven J. Ross, Rob Schoonen, 2015-06-08 Currents in Language Learning is a biennial book series published by Wiley and the Language Learning Research Club at the University of Michigan It provides programmatic state of the art overviews of current issues in the language sciences and their applications in first second and bi multilingual language acquisition in naturalistic and tutored contexts It brings together disciplinary perspectives from linguistics psychology education anthropology sociology cognitive science and neuroscience Language Teacher Education and Technology Jeong-Bae Son, Scott

Windeatt, 2017-06-29 Language teachers competencies in computer assisted language learning CALL are a crucial factor affecting their own implementation of CALL However there is still a concern that many language teachers are not adequately

prepared to make effective use of CALL or to identify and evaluate potential CALL solutions This can be the result of many different factors and raises the question of how to train teachers to develop their CALL knowledge and skills to a greater degree The discussion of approaches to training language teachers in the use of technology adopted in areas of Australia the UK and the US provides valuable insights for those already involved in this area and inspiration for those who have some interest in carrying out this kind of training but as yet have little or no experience This book explores the current status of CALL teacher education and discusses issues and challenges CALL teacher educators face in their own contexts Specifically it looks at postgraduate CALL courses offered at different universities to find ways of improving CALL teacher training It represents the first overview of a topic that is relevant to most postgraduate courses in Applied Linguistics or TESOL across the globe The use of technology for language learning and teaching is increasingly common but as is so often the case training for teachers in how to use that technology remains limited to a large extent by lack of expertise among trainers
