Connecting Language and Disciplinary Knowledge in English for Specific Purposes Alissa J. Hartig, 2017-08-11
How are language and disciplinary knowledge connected in the English for Legal Purposes ELP classroom and how far should ELP practitioners go in supporting students acquisition of the conceptual frameworks that shape the genres they are learning This book presents a pedagogical model for incorporating these conceptual frameworks into disciplinary language instruction and follows four focal participants as they learn to read and write new genres in a second language and disciplinary culture By examining not just students written texts but also their reading practices and interactions in class and in tutoring sessions the book traces the ways in which disciplinary knowledge and language interact as students develop academic literacy in a new disciplinary community Throughout the book the discipline of law is used as a lens for examining broader connections between language culture and disciplinary knowledge and their relevance for English for Specific Purposes and writing in the disciplines

The Welsh Language Commissioner in Context Diarmait Mac Giolla Chríost, Professor Diarmait Mac Giolla, 2016-07-20 it is the first book on the subject much of the research data provides a unique insight to the development of government policy and is exclusive to this book several of the research results are quite striking and will be of great interest to academics and policy actors alike

Responses to the 'Arabellions' Tanja Börzel, Assem Dandashly, Thomas Risse, 2017-10-02 This book studies the reactions by external actors including the European Union to the events unfolding in the Arab world beginning in December 2010 In particular contributors look at external actors attempts to balance their desire for stability with their normative principles toward human rights and democracy The book compares the action and inaction of the EU with other international and regional players including the United States Russia Turkey and Israel and assesses the response of these actors to the Arabellions events analysing changes in their approaches to the Arab region The contributions to this book answer three questions 1 How have external actors assessed the Arabellions and what role did they see for themselves in this context 2 Which goals and instruments did external actors pursue toward the MENA region In particular how did they deal with conflicting goals such as support for human rights and democracy on the one hand and concerns about security and stability on the other 3 How can we explain the varying responses of external actors to the Arabellions This book was published as a special issue of the Journal of European Integration

Economies of Writing Bruce Horner, Brice Nordquist, Susan M. Ryan, 2017-03-01 *Economies of Writing* advances scholarship on political economies of writing and writing instruction considering them in terms of course subject pedagogy technology and social practice Taking the economic as a necessary point of departure and contention for the field the collection insists that writing concerns are inevitably participants in political markets in their consideration of forms of valuation production and circulation of knowledge with labor and with capital Approaching the economic as plural contingent and political chapters explore complex forces shaping the production and valuation of literacies languages identities and

institutions and consider their implications for composition scholarship teaching administration and public rhetorics Chapters engage a range of issues including knowledge transfer cyberpublics graduate writing courses and internationalized web domains Economies of Writing challenges dominant ideologies of writing writing skills writing assessment language writing technology and public rhetoric by revealing the complex and shifting valuations of writing practices as they circulate within and across different economies The volume is a significant contribution to rhetoric and composition s understanding of and ways to address its seemingly perennial unease about its own work Contributors Anis Bawarshi Deborah Brandt Jenn Fishman T R Johnson Jay Jordan Kacie Kiser Steve Lamos Donna LeCourt Rebecca Lorimer Leonard Samantha Looker Katie Malcolm Paul Kei Matsuda Joan Mullin Jason Peters Christian J Pulver Kelly Ritter Phyllis Mentzell Ryder Tony Scott Scott Wible Yuching Jill Yang James T Zebroski *The Evolution of Global Internet Governance* Roxana Radu, Jean-Marie Chenou, Rolf H. Students With Interrupted Formal Education Brenda Custodio, Judith B.

O'Loughlin, 2017-02-23 New hope for our most vulnerable English learners One of the guiding principles of effective English language teaching is for educators to know their students And that in a nutshell captures the value of this book The compassion that Custodio and O Loughlin feel for our SIFE students the commitment they have to educating them well and the comprehension they have of the assets these learners bring to the classroom are evident in the writing tools and vignettes they share Deborah J Short Under the best of circumstances the academic demands of today s classrooms can be daunting to our English learners But for the tens of thousands of newly arrived students with interrupted formal education even the social challenges can be outright overwhelming Rely on this all in one guide from Brenda Custodio and Judith O Loughlin for expert insight on how to build the skills these students need for success in school and beyond Inside you ll find Essential background on factors leading to interrupted education Specific focus on refugee children and Latino immigrants Guidance on building internal resilience for long term social and emotional health Recommendations for creating supportive environments at the classroom school and district level About one thing Brenda and Judith are absolutely convinced our SIFE students can learn and make progress often at a remarkable speed But it s up to us their educators to provide the time attention and a specific focus Consider this book your first step forward

Failure Vicki E. Alger, 2016-07-01 A comprehensive account and frank assessment of federal involvement in education is long overdue Education policy expert Vicki E Alger remedies this deficiency with her book Failure The Federal Miseducation of America s Children As its title indicates Failure makes no effort to sugar coat its findings Created in 1979 after a lobbying campaign that spanned generations the Department of Education has failed to live up to its promises Federal involvement whether related to testing funding or academic curricula has failed to abide by the Constitution s implication that education must remain the domain only of state and local governments and private institutions Most of all the central government s pervasive meddling in education has failed America s school children and their parents Education policy has long been mired in controversies often with opposing sides missing the mark Failure helps us step back from the skirmish du jour and redirects our focus to the big picture showing us what s gone wrong over the decades and the institutional causes of these failures It also offers a bold blueprint for returning the federal government to its constitutional role and for cultivating an educational system that meets the needs of students and parents rather than bureaucrats Concerned citizens of every stripe will benefit from Failure s history of federal education policy its brutally honest report card for the Department of Education its look at education systems across the globe and its ambitious policy recommendations Failure might even succeed in reframing the way the federal education establishment thinks about education policy
