Teaching and Learning English Grammar MaryAnn Christison, Donna Christian, Patricia A. Duff, Nina Spada, 2015-03-02 An important contribution to the emerging body of research based knowledge about English grammar this volume presents empirical studies along with syntheses and overviews of previous and ongoing work on the teaching and learning of grammar for learners of English as a second foreign language It explores a variety of approaches including form focused instruction content and language integration corpus based lexicogrammatical approaches and social perspectives on grammar instruction Nine chapter authors are Priority Research Grant or Doctoral Dissertation Grant awardees from The International Research Foundation for English Language Education TIRF and four overview chapters are written by well known experts in English language education Each research chapter addresses issues that motivated the research the context of the research data collection and analysis findings and discussion and implications for practice policy and future research The TIRF sponsored research was made possible by a generous gift from Betty Azar This book honors her contributions to the field and

recognizes her generosity in collaborating with TIRF to support research on English grammar Teaching and Learning English Grammar is the second volume in the Global Research on Teaching and Learning English Series co published by Routledge and TIRF *Handbook of Research on Pedagogies and Cultural Considerations for Young English Language Learners* Onchwari, Grace, Keengwe, Jared, 2017-10-31 In the schools of today English learners are the fastest growing segment of the student population As such it is increasingly imperative to educate these students properly while still practicing inclusion for overall student success The Handbook of Research on Pedagogies and Cultural Considerations for Young English Language Learners is an authoritative research publication on research based theoretical frameworks and best practices for teaching young English language learners Featuring exhaustive coverage on a variety of topics and perspectives such as co teaching inclusion and social awareness this publication is ideally designed for academicians researchers and students seeking current research on the examination of how diverse backgrounds cultures and experiences contribute to curriculum and pedagogy for bilingual young learners

Written Language In Intermission of Malaysia Learners of English (Penerbit USM)

Rozaida Abdul Rauf, In preparing this book the author s aim has been to create a current and introductory level text to acquaint readers with the core concepts that constitute the discipline of language attrition Thus far no book of this kind has been published in the Malaysian context In fact the issue of the English language for a book like this is also limited This book was designed to be used in both undergraduate and graduate courses in linguistics and as referrals or general reading Universiti Sains Malaysia Penerbit Universiti Sains Malaysia Job Corps GED Competencies Program Guide United States. Employment and Training Administration, 1987 Pragmatics in English Language Learning Nicola Halenko, Jiayi Wang, 2022-10-06 This volume examines the second language pragmatic development of international learners of English inside and outside the classroom Task-Based English Language Teaching in the Digital Age Valentina

Morgana, 2023-06-15 This book illustrates the developments of task based language teaching TBLT approaches in relation to the evolution of digital technologies It highlights how technology mediated TBLT principles can support English as a Foreign Language EFL learning and contribute to understanding new classroom dynamics Drawing from the key theoretical concepts of TBLT the author discusses the integration of tasks and technologies from a secondary education perspective which is often under represented in the TBLT literature Morgana looks at how the EFL secondary classroom has been recently re conceptualised as a social place whose boundaries go far behind the traditional school settings This book provides theoretical approaches and classroom implementation practices by presenting four case studies on the different L2 skills reading writing listening and speaking The volume is organised into two main sections The first section focuses on the theoretical approaches to TBLT and highlights the key concepts behind this methodology This section also looks at the recent development of a technology mediated TBLT framework and its implementations in various EFL educational contexts The second section presents four case studies of secondary school EFL learners in Italy Each case study focuses on a different language skill

providing examples of classroom practices in both blended and online learning settings Pedagogical recommendations for teachers are provided at the end of each case study The book adopts a multimodal approach and aims at providing scholars in applied linguistics and TBLT practitioners with theories and implementation practices to understand the ways technologies are shaping tasks and mediating students learning processes Curriculum Development for Intensive English Programs

Grant Eckstein, Norman W. Evans, K. James Hartshorn, Benjamin L. McMurry, 2022-12-27 This book provides a comprehensive contextualized approach to curriculum creation design development and evaluation for Intensive English Programs The book starts by guiding the reader through the important but often overlooked steps of contextualizing their current or future language curriculum to give decision makers the full picture of what their curriculum is intended to accomplish Subsequent chapters break down the popular ADDIE Analyze Design Develop Implement and Evaluate model of curricular design into meaningful units focused on learner and context analysis learning outcomes assessments materials and implementation and evaluation processes Accessible and engaging chapters include a variety of prompts activities and summaries to support learning and implementation With instruction on how to build a language curriculum from scratch and insights for changing or improving an existing curriculum this book is a key resource for instructors and program administrators in language programs as well as essential reading in TESOL methods and language curriculum design courses Team Teaching and

Team Learning in the Language Classroom Akira Tajino, Tim Stewart, David Dalsky, 2015-12-14 This book reignites discussion on the importance of collaboration and innovation in language education The pivotal difference highlighted in this volume is the concept of team learning through collaborative relationships such as team teaching It explores ways in which team learning happens in ELT environments and what emerges from these explorations is a more robust concept of team learning in language education Coupled with this deeper understanding the value of participant research is emphasised by defining the notion of team to include all participants in the educational experience Authors in this volume position practice ahead of theory as they struggle to make sense of the complex phenomena of language teaching and learning The focus of this book is on the nexus between ELT theory and practice as viewed through the lens of collaboration The volume aims to add to the current knowledge base in order to bridge the theory practice gap regarding collaboration for innovation in language classrooms **Pioneering Socio-Critical Approaches in English as a Foreign Language (EFL) Research** Férez Mora,

Pedro Antonio, Coyle, Yvette, 2025-07-23 Rather than viewing language learning as solely a cognitive process researchers today believe that using a socio critical perspective creates equity within the English as a Foreign Language EFL community These approaches challenge traditional paradigms by examining how social structures ideologies and classroom practices influence learners experiences and opportunities The importance of integrating socio critical frameworks into EFL research highlights the potential to foster more inclusive reflective and socially responsive language education Pioneering Socio Critical Approaches in English as a Foreign Language EFL Research explores the change in traditional teaching of EFL This
