Unassisted Living Michael Jasper, 2013-12-27 Retirement it's not just for the elderly Thirty six year old JB lives to inspire the old folks at Whispering Pines Rest Home He listens to their stories encourages them to get some fresh air and makes sure they aren't just sitting around waiting for the end to come But he's not a doctor not a therapist He's a resident of Whispering Pines too When the finances for Whispering Pines hit the skids the Home starts to earn the wrong kind of attention And JB must confront the harsh reality of his past and the reason he dropped out of life to retire three decades early A reality he has been working hard to avoid since stepping foot inside Whispering Pines Sometimes life and getting back to really living requires some assistance **A Gathering of Doorways** Michael Jasper, 2015-01-21 Sometimes you eat the forest sometimes the forest eats you What would you do if your child was lost and even though you'd never admit this to anyone it was all your fault How would you react Would you be a hero or a coward And just how would you get your innocent child out of this

situation These are all questions Gil Anderson faces when his five year old son goes missing somewhere in the dark trees at the edge of the family farm On that fateful day Gil must travel through his own version of hell to rescue his child before the forest eats them all What Gil doesn't know is that his wife and son are both on their own dark solitary journeys as well For fans of Stranger Things and the weird world of the Upside Down In his third novel speculative fiction rising star Jasper offers a finely nuanced blend of fantasy and horror Booklist *Hunter's Moon* Michael Jasper, 2016-04-15 Try not to listen to those who whisper Tommy Roling has a great freelance job a healthy daughter and a new city to call home Plus he's finally comfortable with the fact that he's a werewolf So why isn't he happy Could it be his daughter's terrible twos which seem

even more terrible because she chooses to stay in her wolf body most of the time Or is it his growing distance from his family as well as Nina his on again off again girlfriend Those questions remain unanswered as a group of strangers disrupts the lives of Tommy his daughter and his slacker brother The strangers give Tommy and his small pack a harsh glimpse of the whispering madness that hovers just outside the safe boundaries of their fragile little world A world that Tommy just might not be able to hold together on his own The second book in the Family Pack series of rural fantasy novels Hunter s Moon picks up a year after the first book Family Pack *The Last Sorcerer* Michael Jasper,2013-12-27 Magic It can show up in the strangest places An old man sleeping in a cardboard box in snowy Chicago holds the secret of sorcery in his head Thanks to the damage done to him by using magic decades ago he doesn t realize it Most days he can t even remember his own name But when two teens try to jump him in an alley the magic Words come back to him at last and he infects the kids with magic And soon Chicago has a wild epidemic of magic on its hands An earlier but still self contained version of the novel A Sudden Outbreak of Magic but with a slightly altered cast of characters and plotlines Consider it the alternate world version of the Contagious Magic story *The Wannoshay Cycle* Michael Jasper,2010-02-15 Aliens crash land in snowy North America attempt integration and fail violently In the near future over thirty black ships containing the aliens known as the Wannoshay crash land onto the frozen earth of the Great Plains of America and Canada Over the course of a year the aliens attempt to become part of American society only to be banished to internment camps when they are suspected of causing a series of deadly explosions at their new jobs A handful of humans who made early contact with the Wannoshay stand up for the oppressed aliens They soon learn however that the aliens are not without guilt a guilt that seems to be killing the Wannoshay with each passing day on Earth An absorbing work full of unflinching looks at what makes us human how we might react to be faced with the truly incomprehensible SF Site **UnWrecked Tales** Michael Jasper,2018-07-18 Stories of where the normal meets the strange From the travails of a water carrying alien on a harsh world to the loss of a child by a much too young father touched by the were gene From the plight of a young immigrant painter struggling to get by to the story of a young man who has to decide whether to help when he comes across a car in the ditch and a family fighting for survival in that wrecked vehicle And more Twenty one stories about the moment when someone s life took an unexpected turn and that person was changed forever Tales of heroes and cowards lovers and leaders the heartbroken and the heartless Stories that leave you wrecked inside while the characters on the page try desperately to pick up the pieces of their lives Take a chance on a story from a genre you might not have ever read before and dive headfirst into the tale of a life that appeared normal but was quickly transformed into a life less ordinary and a life more strange and more fascinating Michael Jasper uses genre as a weapon in these twenty one stories Buckle up and enjoy the ride **Family, Pack** Michael Jasper,2011-07-15 Some family curses really should be passed on Tommy Roling does everything humanly possible to raise his infant daughter Corinne the right way But a half year out of high school Tommy finds himself a single parent as well as flat broke And with

every full moon he can't fight the urge to strip off his clothes and run wild through the pastures outside town. So when a stranger shows up slashed to death the day after Tommy's most recent full moon run, Tommy must resolve this murder or he could lose what little he has left. That includes his innocent baby girl Corinne who just might have inherited his werewolf gene from him. A paranormal mystery about fatherhood, responsibility and taking control of your own life one full moon at a time. The first book in a new Rural Fantasy mystery series continuing with Book 2 *Hunter's Moon* *Redemption, Drawing Near* Michael Jasper, 2013-12-27 First contact between a priest and an alien. Less than a dozen years from now over thirty black ships containing the aliens the world will come to know as the Wannoshay arrive on the frozen earth of the Great Plains of America and Canada. When communications break down between the military personnel of the humans and the leaders of the Wannoshay Father Joshua McDowell gets a chance to make first contact with the aliens. He also reveals his plans for one last quest: an attempt to reopen the doors to the barred and mysterious City of All Worlds far away and spoken of only in whispers. For the locked City of All Worlds is rumored to hold a portal at its center that could link other worlds to this one. A portal of immense power and danger. A gateway that once made the world of Subaridon a vibrant and thriving land. Will Bartolamus the Sorcerer return to the City and return Subaridon to its former glory? Or is this all simply the raving of a dying madman?
