Fine Dining A Trudie Fine Mystery:

Fine Dining Gale Deitch, 2014-12-15 Trudie Fine's romantic dinner with Detective Daniel Goldman is cut short by a gruesome murder. When her good friend May Dubois is discovered sitting by the body of her dead brother holding a bloody knife, the case seems as cut and dried as sliced okra. From the start, however, Trudie believes in her friend and sets out to prove May's innocence. But if May isn't the killer, who is? Taking over as temporary manager at May's New Orleans-themed restaurant to do some sleuthing plunges Trudie into a jambalaya of dangerous waters. Recipes Included **A Fine Fix** Gale Deitch, 2013-11-06 Things couldn't be better for Trudie Fine and her partner Zachary Cohen. It's the first big job for their catering company, A Fine Fix, and everyone who's anyone in the Washington D.C. area will be at the Schwartzes' backyard Mexican fiesta. With the tables set, the food prepared to perfection, and the Mariachi band sizzling, Trudie is mellow as a Margarita smoothie until a dead body is discovered floating in the pool. When Zach is arrested as the prime murder suspect, Trudie sets out to clear him and find the real murderer. Life gets spicier than a jalapeño pepper when she realizes she's the focus of three men's affections, including the unnerving detective handling the case. Soon, however, Trudie is reaching for her favorite knife but not to chop vegetables. Recipes Included The Spirit Within Betty Lu Clark, 2009-12 Perlina, a wealthy but eccentric widow, and her friend Elizabeth, a spiritualist, dabble in the realm of the supernatural. A crystal ball and readings found in the stars encourage Perlina to purchase and reside in a mansion that is said to have a spirit within its walls. This ghost creates unrest, concern, and general problems until the new owners are able to solve the mystery of the Spencer House.

The Husband's Secret Liane Moriarty, 2013 Discovering a tattered letter that says she is to open it only in the event of her husband's death, Cecelia, a successful family woman, is unable to resist reading the letter and discovers a secret that shatters her life and the lives of two other women. By the author of *What Alice Forgot* **Trail of Betrayal** Dr. Anne R. Murray Ed.D., 2018-03-20 Life was different during colonial times. People struggled to survive. After winning the American Revolutionary War, America looked forward to the future. The colonies had won a new freedom. The colonists were free to explore religious worship without threat of government intervention. They experienced freedom to vote, to live in unity in the community, and to protect their civil rights. The story tells of the lives of the main characters, their challenges to survive during one of the harshest eras of our country. The book reflects of the bloody battles fought during the war. **The Tor's Quest Saga** Trudie Collins, 2016-07-02 Twists, turns, death, and betrayal with a little bit of magic thrown in. The King is dead, leaving no clear successor. Prince Tor and his brothers must take part in a quest, the winner of which will earn the right to take over the throne. Clues have been left to direct the competitors to each location, providing hints as to who or what they need to take with them on each stage of their journey. What started off as an adventure, a chance to make new friends and catch up with old acquaintances, has turned into a deadly nightmare. Had Tor realized how dangerous it would be, he would not have agreed to participate. Had he known how deadly it would become, he would never have allowed his companions to

join him Now he is caught in a lethal game where the only way to survive is to win As his journey continues Tor loses good friends brother turns on brother and betrayal makes it hard to distinguish enemy from ally Many weird and wonderful creatures help and hinder him along the way When a discovery shows that nothing is as it seems Tor is forced to wonder how many of his friends and family will live to see the end of the quest **Mary Jane Down South** Clara Ingram
