The Dispeller of Disputes Jan Westerhoff, 2010-04-07

Nagarjuna's Vigrahavyavartani is an essential work of Madhyamaka Buddhist philosophical literature. Written in an accessible question and answer style, it contains Nagarjuna's replies to criticisms of his philosophy of the Middle Way. The Vigrahavyavartani has been widely cited both in canonical literature and in recent scholarship; it has remained a central text in India, Tibet, China, and Japan and has attracted the interest of greater and greater numbers of Western readers. In *The Dispeller of Disputes*, Jan Westerhoff offers a clear new translation of the Vigrahavyavartani, taking current philological research and all available editions into account and adding his own insightful philosophical commentary on the text. Crucial manuscript material has been discovered since the earlier translations were written, and Westerhoff draws on this material to produce a study reflecting the most up-to-date research on this text. In his nuanced and incisive commentary, he explains Nagarjuna's arguments, grounds them in historical and textual scholarship, and explicitly connects them to contemporary philosophical concerns.

Dresden Sinclair McKay, 2020 In February 1945 the Allies obliterated the German city of Dresden. Bombs weighing over 1,000 lbs fell every seven and a half seconds, killing an estimated 25,000 people. But was Dresden a legitimate military target or a last act of mass murder in a war already won? In *Dresden*, bestselling author Sinclair McKay creates a vast canvas and brings it alive with touching human detail from the history of the city to the attack itself through the eerie period of reconstruction. Impeccably researched and deeply moving, McKay uses never-before-seen sources to relate the untold stories of a city, its people, and their triumph in the face of disaster.

Only there, he says, will we find the clarity of vision we need to win the daily battle that is life.
