Despite the hardships faced by African Americans, he offers a positive vision of a time when individuals will be judged on the content of their character rather than the colour of their skin. His delivery of the line "I have a dream" with passion and repetition creates powerful feelings in the audience.

Logos: Luther highlights the gaps between American values and the reality of racial and ethnic prejudice while providing logical justification for his claims. Hence, he makes the case for the importance of significant and quick change using logical reasoning and concrete proof.
