McLaren, 2009-07-13 Does having faith mean abandoning reason It's easy to get that impression Still it seems reasonable that a supremely intelligent God would want you to use your God given intellect on your spiritual journey as much as in any other aspect of your life Faith may not stand on rational thinking alone but a solid faith should walk hand in hand with intellectual integrity Does it really matter what I believe What is the relationship between faith and knowledge Why are there so many religions Do all paths lead to the same God This book helps you sort through the questions objections and concerns you can't help but raise *A Search for What Makes Sense* will help you think your way clearly and honestly to answers that satisfy because they're your answers conclusions you've arrived at personally without manipulation coercion or game playing For faith to exist and grow it's got to make sense good sense carefully thought out sense And chances are it does FINDING FAITH The Finding Faith books *A Search for What Makes Sense* and *A Search for What Is Real* don't try to tell you what to believe they are guides in learning how to believe If you think the spiritual journey requires turning your back on honesty and intellectual integrity these two companion volumes will speak to both your mind and your soul **Finding Faith** Ronald William Raven, 1996 **Finding Faith Within** Aniyisa Raiford, 2021-07-22 You may be in the crossroads between having little faith and then having no faith at all To be honest we've all been there I'm no different Life teaches you a lot of things and that's to just keep living It seems easier said than done but by my own testimony I've been living a life that's not my own What if I told you that the sum of your life that you're living the good the bad and the ugly is all surrounded around your faith Your faith is what is sustaining you even at this moment Even when you're not feeling good enough It's your faith within that's keeping you This book is set up as a reminder to you to know that you can still make it by just believing and knowing of the faith that's within you I'm able to share my testimony of how faith has literally guided my entire life It's the faith that I barely grabbed on that has guided me sustained me and I want to share those moments with you This book is hope to help you live a life that is dedicated to trusting God Look at my life and the things that I've been through and know that you can make it too No more excuses as to why you have little faith Exercise that faith and put it into action It's my

job to encourage and motivate you through my life experiences that you will get up and live your life knowing that you have FAITH WITHIN **Finding Faith** Brian D. Stone, 2018-10-31 How do persons come to faith in our time Are they active seekers or brought in by others Is it a journey Or is it a more sudden conversion Are spouses relatives and friends most important to the process Do clergy matter What sorts of values practices and lifestyles tend to change for those who newly come to faith What are the differences among the various religious traditions in how one comes to faith This book presents the findings of a multi year study on how people come to faith in the US context It involves about 1 800 persons who recently made a new profession of faith or some other public commitment across various religious traditions in the US An initial study was conducted twenty five years ago on Christian populations in England by Bishop John Finney but surprisingly little research has been done since then Finding Faith Today is an expansion and follow up of that study The book sheds new light on how people come to faith and what sort of spiritual practical and social changes accompany that The book will be a help to those seeking to open up their communities of faith to others with hospitality and integrity **Facing Facts and Finding Faith** Donald Stuart Milne, 1968 **Finding Faith** Indiana Tuggle, 2018-10-19 Are you finding it difficult to understand the things God has allowed to transpire in your life Do you find yourself asking why me or God where are you Do you have a hard time imagining the good that will come from the rape molestation domestic violence poverty bad relationships death of loved ones abandonment and or rejection You know that all you need is faith the
