

Homework is important. However with busy schedules and family obligations, it can be a challenge to get homework done. Sometimes kiddos get certain things done quickly, while others take more time and patience. Being a mom has made me realize that life goes on beyond the school day with kids' activities, meetings, family dinners and so on. Therefore I decided to revamp my homework so that families can see what is expected in the beginning of the week. The homework is given to the child on the first day of the week. It is laid out on a day-to-day basis. However the whole packet is due on Friday. So if a family has an obligation on a particular day, they can decide to double up on the homework on another day. Or if a child struggles with math, the parent may decide to skip the language arts and complete it the following day. The homework is versatile and shows parents that you respect their family time.

*A Daily Reading Log is incorporated into the homework. You can find my Daily Reading Log in my "store" or use something you have already been using in your classroom.*

### **ASSEMBLY:**

- 1) Print the first page of the lesson as a single page.
- 2) Then print the second and third pages as double-sided so the child gets a set of flashcards to practice.
- 3) Staple both pages together and hand out on Monday.
