- 1 The GOV.UK logo must be shown, unless the applicant is using commercial software to obtain their tax calculation. These are acceptable but will not include the GOV.UK logo.
  - 2 The customer's name and tax year must be shown.
  - 3 The Unique Tax Reference number must be shown.
  - 4 Progress bar must show "your tax return is 100% complete" & state "This section provides you with a breakdown of your full calculation. If it says your tax return is 100%-complete then you have submitted this return and this is a copy of information held on your official online SA tax account with HMRC".  
NB - If the customer uses Commercial software then this wording may not appear. The document would still be acceptable.
  - 5 Income from the relevant income stream to be taken from here.
  - 6 All pages must be received.
- For self-employed applicants who self-assess online, you must obtain the corresponding two years' tax year overviews in addition to the latest two years' Tax Calculations. Applicants who submit their return by post will not receive a Tax Year Overview.
