Ball,2012 This book explores some of the major processes involved in the definition of school subject knowledge Using historical ethnographic methods the contributors to the collection highlight and examine some of the factors involved at national institutional and classroom levels in the making of school subjects The first section of the book outlines the theoretical and

methodological basis for the study of school subjects and the reasons for and the possibilities of such a study are considered. In the second section some histories of school curricula are presented from a variety of settings: colonial schools in Africa, working class schools of the nineteenth century, nursery schools, and the conflicting forces of determination and change in school subjects are identified and examined. The third section focuses on the contemporary school situation and the papers isolate and investigate some of the interest groups and social processes which enter into or affect the realization of school knowledge in the classroom.

Teaching Twelfth Night and Othello Peggy O'Brien, 2006-08 FOLGER Shakespeare Library

THE WORLD'S LEADING CENTER FOR SHAKESPEARE STUDIES The Folger Shakespeare Library is one of the world's leading centers for scholarship, learning, and culture. The Folger is dedicated to advancing knowledge and increasing understanding of Shakespeare and the early modern period; it is home to the world's largest Shakespeare collection and one of the leading collections of books and materials of the entire early modern period, 1500-1750.
