There Is Hope Chris Amos, 2012-01-17 Life is a series of lessons For the Christian the goal of each is to guide and encourage the student to become a little more like Jesus For some those lessons are taught in the office or classroom for others they arise in the home for others still those lessons may be taught on the road while traveling from place to place For me many of those lessons have come on the hard and often unforgiving streets of Norfolk Virginia Some will bring a smile to your face while others may bring tears Some result in great victory while others appear to end in tragedy and defeat Some may provide answers while others may raise questions but all have a common purpose Each one when learned will lead to a closer walk with Jesus Christ This book is a collection of those lessons written in hopes that you too may be encouraged in your quest to become more like our Savior and Lord Jesus Christ God is still as in times past using the most unsuspecting people to teach some of His most profound lessons Join with me now as together we let the lessons begin
