classics as Million Dollar Baby Rocky and Raging Bull The boxer stands alongside the cowboy the gangster and the detective as a character that shaped America's ideas of manhood Leger Grindon relates the Hollywood boxing film to the literature of Jack London Ernest Hemingway and Clifford Odets the influence of ring champions particularly Joe Louis and Muhammad Ali and controversies surrounding masculinity race and sports Knockout breaks new ground in film genre study by focusing on the fundamental dramatic conflicts uniting both documentary and fictional films with compelling social concerns The boxing film portrays more than the rise and fall of a champion it exposes the body to reveal the spirit Not simply a brute the screen boxer dramatizes conflicts and aspirations central to an American audience's experience This book features chapters on the conventions of the boxing film the history of the genre and its relationship to famous ring champions and self-contained treatments of thirty-two individual films including a chapter devoted to Raging Bull

Pleading the Blood Christopher Sieving, 2022-02 The definitive look at one of the most important Black art films and original filmmakers of the 1970s Bill Gunn's Ganja Hess 1973 has across the decades attained a sizable cult following among African American cinema devotees art house aficionados and horror fans thanks to its formal complexity and rich allegory Pleading the Blood is the first full-length study of this cult classic Ganja Hess was withdrawn almost immediately after its New York premiere by its distributor because Gunn's poetic re-fashioning of the vampire genre allegedly failed to satisfy the firm's desire for a by-the-numbers blaxploitation horror flick for quick sell-off in the urban market Its current status as one of the classic works of African American cinema has recently been confirmed by the Blu-ray release of its restored version by its continued success in screenings at repertory houses museums and universities and by an official remake Da Sweet Blood of Jesus 2014 directed by Spike Lee one of the original picture's longtime champions Pleading the Blood draws on Gunn's archived papers screenplay drafts and storyboards as well as interviews with the living major creative participants to offer a comprehensive absorbing account of the influential movie and its highly original filmmaker

Arthur Ashe Eric Allen Hall, 2014-09-15 Arthur Ashe explains how this iconic African American tennis player overcame racial and class barriers to reach the top of the tennis world in the 1960s and 1970s But more important it follows Ashe's evolution as an activist who had to contend with the shift from civil rights to Black Power Off the court and in the arena of international politics Ashe positioned himself at the center of the black freedom movement negotiating the poles of black nationalism and assimilation into white society Fiercely independent and protective of his public image he navigated the thin line between conservatives and liberals reactionaries and radicals the sports establishment and the black cause Eric Allen Hall's work examines Ashe's life as a struggle against adversity but also a negotiation between the comforts perhaps requirements of tennis star status and the felt obligation to protest the discriminatory barriers the white world constructed to keep black people in their place Drawing on coverage of Ashe's athletic career and social activism in domestic and international publications archives including the Ashe Papers and a variety of published memoirs and interviews Hall has created an intimate nuanced portrait of a great athlete who stood at the

crossroads of sports and equal justice Hall's elegant and well paced narrative teases out the contradictions of one of tennis's most enigmatic characters Times Literary Supplement A strong book on an outstanding topic it serves as a reminder that Ashe's tragic death has to some extent eclipsed his life's work on behalf of racial equality Wall Street Journal A portrait of Arthur Ashe that shows the fullness of his character his broad interests his impressive talents and his missteps New Books in Sports A remarkable book that will serve as a model for future works in this genre Virginia Magazine of History and Biography Eric Allen Hall is an assistant professor of history at Georgia Southern University Statesboro
