research students      **Dictionary of the Holy Bible by Charles Taylor** Augustin Calmet, 1832      Beyond Revelation  
Benjamin F Hoogterp, 2014-05-26 A fresh look at an old subject The author addresses the study of the book of Revelation and Eschatology with an emphasis on the Kingdom Notably the results are conclusively Preterist in content by the eyes of the author of the mildest of forms Coming from several years of end times research and many more of that of Bible knowledge this book focuses on the prophesies of Daniel as well as the Gospels to prove with reasonable certainty to the author that the reasonable whole of the book of Daniel is concluded and fulfilled and much of the Revelation of John The book follows in an at face value approach allowing normal customs of language demonstrating a concise and historic progression of events with the destruction of the temple on 70 AD the Second Jewish Revolt of 135 AD being the winepress of God's wrath the seven bowls of wrath poured out upon Rome in what is known as the Crisis of the Third Century to destroy Rome and a literal already fulfilled Millennium in the Middle Ages The focus of the book is doctrine of the Kingdom which demonstrates its centrality in the entire subject It is asserted that the study of Eschatology is the study of the Kingdom this is repeated throughout the book Including a look at the parables of Jesus and taking Jesus introductory declaration of Mark 1:15 to be clearest statement of the Kingdom this book side steps the fruitless debates of the Schweitzer Dodd and Ladd of consistent realized or inaugurated Eschatologies and steps directly to an everlasting eschatology Thy kingdom is an everlasting kingdom and thy dominion endureth throughout all generations Ps 145:13 Generally relying upon the KJV version for the development of key issues except where a nuance is better brought out by another version as indicated the author develops the case sola scriptura that the Kingdom is indeed here and that it relates to the first coming of Christ Of note the author specifically interprets the Olivet Discourse as being divided based upon the merits of a study of the word Eutheos in Matthew 24:29 Eutheos when compared throughout the New Testament often implies an unspecified time gap representing hours days or even months This combined with a reading of the traditional time texts Matthew 24:34-36 the author sees that the v36 but of that day and hour specifically excludes the v29-31 that day from the these things of v4:22 As such this generation applies precisely and exactly to the generation then alive during the giving of this discussion as per the traditional partial Preterist position However it clearly excludes the obvious Second Coming references in vv29-31 Additionally the author makes specific reference to the verses of Daniel 11:40-43 as pertaining to the Battle of Actium in 31 BC or the foundation of the Roman Empire which is shown to be the fourth Kingdom of Daniel 2:7 These two facts place the Great Tribulation of Daniel 12 and Matthew 24 decidedly in the first century the 70AD destruction of Jerusalem according to the author The author then divides the body of Revelation into two prophesies as per the two prophetic commissions in Revelation 1 and 10 Using a 68-70AD post Neronian pre fall of Jerusalem date for the book Rev 6:11 corresponds to the destruction of Jerusalem while Rev 12:19 are clearly seen in historic events and detail the further punishing of the Jewish nation followed by the final overthrow of the beast Rome Woven throughout the book the author attempts to depict the great contrast of ages For 1 000

years Babylon in four different stages ruled the known world Then after it was broken small at the conversion of Constantine the Kingdom of God ruled for its 1 000 years We are now in that short time looking towards a Gog Magog conflict and the fulfillment of the Israel promises in between Revelation 20 10 11

**God: An Anatomy** Francesca Stavrakopoulou, 2022-01-25 An astonishing and revelatory history that re presents God as he was originally envisioned by ancient worshippers with a distinctly male body and with superhuman powers earthly passions and a penchant for the fantastic and monstrous A rollicking journey through every aspect of Yahweh s body from top to bottom yes that too and from inside out Ms Stavrakopoulou has almost too much fun The Economist The scholarship of theology and religion teaches us that the God of the Bible was without a body only revealing himself in the Old Testament in words mysteriously uttered through his prophets and in the New Testament in the body of Christ The portrayal of God as corporeal and masculine is seen as merely metaphorical figurative or poetic But in this revelatory study Francesca Stavrakopoulou presents a vividly corporeal image of God a human shaped deity who walks and talks and weeps and laughs who eats sleeps feels and breathes and who is undeniably male Here is a portrait arrived at through the author s close examination of and research into the Bible of a god in ancient myths and rituals who was a product of a particular society at a particular time made in the image of the people who lived then shaped by their own circumstances and experience of the world From head to toe and every part of the body in between this is a god of stunning surprise and complexity one we have never encountered before
