THE YOUNG CHRISTIAN'S SURVIVAL GUIDE Donald T. Williams,2019-07-19 Some of the questions asked and answered in THE YOUNG CHRISTIAN S SURVIVAL GUIDE are You claim the Bible is inspired because it says it is right 2 Tim 3 16 Isn t that circular reasoning You claim the Bible was inspired but there was no inspired list of which books that is true of So how can we know which ones to trust With so many different copies of manuscripts that have 400 000 variants errors how can we even know what the Bible says Why can t the people who wrote the four Gospels get their story straight Didn t the Council of Nicaea just arbitrarily pick the books for the Bible that they agreed with and suppress all the rest with political power People

used to believe in miracles because they didn't understand science. Don't we know better than that now? That a man rose from the dead takes a lot of believing. How could you ever have enough evidence for a belief like that? Science has proved that human beings evolved over millions of years rather than being created in six days. Why are you still clinging to ancient myths? Just because the Bible is true for you, why does that make it true for me? How can you base your modern life on a book that was written for a primitive culture? Doesn't the Bible support genocide? Doesn't the Bible support racism? Doesn't the Bible support slavery? Doesn't the Bible support homophobia? Doesn't the Bible support the oppression and abuse of women? There are so many religions all sincerely seeking the same goal. What makes you Christians so arrogant that you think yours is the only way? What about those who have never heard the Gospel? If God is a God of love, why did he let my loved one die? How can it be just for God to impose an infinite punishment, Hell forever, for finite sins? These questions will be asked and answered with reasonable, rational, Scriptural answers. *Chicken Soup for the Romantic Soul* Jack Canfield, Mark Victor Hansen, 2012-08-07

Now *Chicken Soup for the Romantic Soul* brings brand new inspiration to expressions of romance. **Family Survival Guide (Leaders and Student)** Karen Dockrey, 1988-06 **How to Become a Creative Church Leader** John Nelson, 2008-02-28

Kay, John R. L. Moxon, 2022-06-16

The Pastoral Epistles throw light on the early days of the church and the final phase of Paul's life. This commentary scrutinizes the biblical text while attending to the missional, pastoral, and spiritual challenges facing the worldwide Pentecostal and charismatic or renewalist movement. It is written for today's church without ignoring scholarly literature and cultural perspectives. The ministry of women, the appointment of elders, prophecy, church governance, living as a Christian in the Roman Empire, the end times, charismatic gifts, spiritual warfare, slavery, and ordination all feature. **1 and 2 Timothy and Titus** Dr. David Jeremiah, 2020-09-22

Living by and for the Gospel. Follow Dr. Jeremiah through the letters of 1 and 2 Timothy and Titus in a chapter-by-chapter study that will help you understand what it meant to the people at the time it was written and what it means to Christians today. The apostle Paul founded many churches in the Roman Empire, but it is clear he did not do this work alone. Rather, he relied on trusted companions such as Timothy and Titus to support the ongoing

work in these communities As Paul neared the end of his life he wrote personal letters to these men to encourage them in their ministry and provide final guidelines for how live and lead for Christ In particular we find him urging these men to maintain purity in the church faithfully endure for the gospel preach sound doctrine pursue godliness and maintain order as they built up other leaders Paul s words compel believers today to also pursue their calling in the church even when that means dealing with hardheaded and unruly fellow believers Each of this study s twelve lessons is clearly organized to include Getting Started An opening question to introduce you to the lesson Setting the Stage A short reflection to explain the context of the study Exploring the Text The Scripture reading for the lesson with related study questions Reviewing the Story Questions to help you identify key points in the reading Applying the Message Questions to help you apply the key ideas to their lives Reflecting on the Meaning A closing reflection on the key teachings in the lesson ABOUT THE SERIES The Jeremiah Bible Study Series captures Dr David Jeremiah s forty plus years of commitment in teaching the Word of God In each study you ll gain insights into the text identify key stories and themes and be challenged to apply the truths you uncover to your life By the end of each study you ll come away with a clear and memorable understanding of that Bible book Each study also contains a Leader s Guide

Queering the Church Penelope Cowell Doe,2024-05-31 Church dialogues including official reports and debates within the General Synod operate under the premise that canonical authority can shape a viable theology and coherent ecclesiastical and liturgical practices In a groundbreaking departure from conventional methodologies Queering the Church offers a rigorous examination of the hermeneutical frameworks that inform discussions on homosexuality within ecclesiastical governance Drawing inspiration from Halberstam s concept of the queer art of failure Doe advocates for a fundamental shift a move away from entrenched

Cross-Examined: Catholic Responses to the World's Questions Fr. Carter Griffin, 2021-08-16 While social norms and political movements are rapidly changing the truth of the Catholic faith stands firm In Cross Examined Catholic Responses to the World's Questions readers are equipped to address even the most sensitive topics from the existence of God to the existence of hell from women's ordination to Marian devotion from assisted suicide to transgenderism In Cross Examined Fr Carter Griffin begins each discussion not with Catholic teaching but rather with its most common objections Articulating these objections serves several purposes First it helps Catholics to respect those who do not share their beliefs by identifying intelligent grounds for disagreement Pointing out objections also helps believers respond more persuasively in discussions with non Catholic friends Perhaps most importantly knowing the common objects instills confidence that the Church is committed to the truth and unafraid to engage with those who dispute her teaching After identifying principal objections each discussion continues with a brief summary of relevant Catholic teaching and then responds to each objection in turn In our shrill age that seems ever less capable of rational discourse the method used in Cross Examined can offer a way to remain faithful to our beliefs while acknowledging respecting and responding to alternative points of view
