Female Power Femdom Future Erotica English Edition:

At Her Feet Second Edition TammyJo Eckhart, Fox, 2024-10-15 Look beyond the fantasies of whip cracking dominatrixes and cowering slaveboys and you'll find real women and men in caring consensual female dominant relationships. Yet given that social norms grant the majority of power to men, how do these relationships work? TammyJo and Fox have been building their female dominant relationship for many years and have gathered their most important discoveries and theories into this important manual. You'll learn how to take your roles beyond the bedroom, the role of rituals, contracts and protocols in day to day femdom life, how to achieve training and growth that complement the nature of the relationship, how each individual can get his or her needs met within the context of a consensual disparity in power, how to integrate fetish desires into the relationship, how to cope with the realities of life, illness, work, family, without losing touch with the relationship, and much more.

Abuse of Power Miranda Birch, 2018 This is a look into the future. A future when women have become fully liberated and universally recognised as the Superior Sex. A future where women command and men obey. It is a Femdom Future. In *Punishment Prison* we were introduced to the severe regime of Marston House. And how all males sent here are broken by cruel sadistic females. In this, the sixth installment of the Femdom Future series, we see what special treatments are meted out to those inmates unlucky enough to attract the attention of authority. The female overseers have complete control of them and are free to indulge their most sadistic whims, their most perverted fantasies.

Femdom Future Miranda Birch, This is a bundle of no less than SIX previously released stories. They are the first six episodes in the on going Femdom Future series.

- 1 **Rigorous Retraining** In a near future femdom world, being unemployed and male is a crime punishable by retraining in special centres staffed by cruel sadistic females. Prime Minister Tessa March is a no nonsense disciplinarian who has decided that what the country needs is good old fashioned discipline. Rigorous retraining for anti social sexists.
- 2 **More Rigorous Retraining** In a near future femdom UK ruled by Prime Minister Tessa March, a no nonsense disciplinarian, it has been decided that what the country needs is good old fashioned discipline. Rigorous retraining for anti social sexists. Being unemployed and male is now a crime punishable by retraining in special centres staffed by cruel sadistic females. As time passed, the regime of the camps has become more rigorous. Trainees have become slaves in all but name and their names replaced by numbers.
- 3 **The Auction** The changes wrought by Tessa March's all female administration have transformed the country. The majority of men have now passed through rigorous retraining and many of them have entered into servitude as punishment for criminal behaviour. Their names replaced by code numbers, subject to stern discipline, kept naked and in chastity. Modern life is no bed of roses for the male sex.
- 4 **National Domestic Service** Although up in London, nude males are already bought and sold and serve as slaves in all sorts of ways, including in public as beasts of burden pulling buggies for ladies. The rest of the country is not quite so advanced. Originally, male servitude was intended only for criminals and work shy layabouts, but the demand for male servants, as they are still euphemistically called, has so exceeded the supply that the

government has introduced National Domestic Service Now youths of eighteen must do a full year of in service to a householder that is to say a woman aged twenty five or over Of course there are strict rules to prevent abuse but where there s a will there s a way as many a hapless youth has already discovered And now a new boy is going to make that discovery for himself 5 Punishment Prison This is a look into the future A future when women have become fully liberated and universally recognised as the Superior Sex A future where Women command and men obey It is a Femdom Future In this the fifth installment of Miranda Birch s Femdom Future series we see what awaits those recalcitrant males who refuse to submit and obey In Punishment Prison they will be broken it is only a question of time And meanwhile the female Overseers are free to indulge their most sadistic whims their most perverted fantasies 6 Abuse of Power This is a look into the future A future when women have become fully liberated and universally recognised as the Superior Sex A future where women command and men obey It is a Femdom Future In Punishment Prison we were introduced to the severe regime of Marston House And how all males sent here are broken by cruel sadistic females In this the sixth installment of the Femdom Future series we see what special treatments are meted out to those inmates unlucky enough to attract the attention of authority The female overseers have complete control of hem and are free to indulge their most sadistic whims their most perverted fantasies
