can underbid every contract you receive headhunt every name you hire and grind your company into the dirt until every last investor you have is serving you papers Is that what you want I stared up at her mute Stand up she said I stayed frozen in place Stand up she repeated You call yourself the owner of this company You can t even stand and look me in the eye in your own office You have to cower in your chair Shakily I complied No sooner was I standing than she had put her hand to the small of my back pushing me over and pinning me down upon my desk I m going to do something much less permanent than all of that she said There was not so much as a single note of strain in her voice as she held me completely helpless against the smooth oak of my desk Because I m beginning to like you because in a certain way I can admire stubbornness I m going to teach you very simply and here in private just how out of your depth you are I tried to say something but her hand against my back was compressing my chest against the desk too forcefully to draw full breath Instead all that emerged was a whimper

so my chest felt tight She laid a hand on my on the pale sensitive skin of my stomach She could feel my slight trembling She could see the trepidation that in spite of my need to please and be brave and be open minded I could not shut out entirely If it becomes too much for you I want you to tell me she said I want you to say so alright I want you to say Awry Awry I repeated This is a safe room she said where two people who trust each other can explore things that they would not do with other people I watched her still at a complete loss for what was about to happen I pulled lightly at my wrists The bondage I understood The bondage I liked But it also made what was coming all the more terrifying whatever it was But I was grateful that she was speaking this way with me It reminded me why I was not in my conscious mind afraid **Dominating and**
