Namibia

Sanghamitra Warrier Mukherjee, 2025-07-11 With high unemployment especially among the youth Namibia lags behind the SSA region on labor market outcomes Between 2012 and 2018 there was a structural shift in the economy from agriculture to services as younger workers took up low productivity service sector jobs A shift share analysis highlights that resources are not allocated to relatively more productive firms in the services sector consistent with the weak real GDP per capita growth The ongoing oil and gas exploration and potential production in the future offers an opportunity for economic growth

and job creation but also presents risks of worsened labor market outcomes *Maritime Information Review* ,1992
