

- A2.S.9** Differentiate between situations requiring permutations and those requiring combinations
A2.S.10 Calculate the number of possible permutations (${}_nP_r$) of n items taken r at a time
A2.S.11 Calculate the number of possible combinations (${}_nC_r$) of n items taken r at a time
A2.S.12 Use permutations, combinations, and the Fundamental Principle of Counting to determine the number of elements in a sample space and a specific subset (event)

Permutations

A **permutation** is an arrangement of items in a specific order (that is permutations are used when the order of selection is important).

The notation for a permutation of n items taken r at a time is ${}_nP_r$.

$${}_nP_r = n \cdot (n-1) \cdot (n-2) \cdot (n-3) \cdots (n-r+1)$$

Ex: In how many different orders can the 8 students competing in the 200-meter race cross the finish line?

Solution: Obviously, with a race, order matters.

We want to find the order of all 8 students finishes, so in our permutation, $n = 8$, $r = 8$.

$${}_8P_8 = 8 \cdot 7 \cdot 6 \cdot 5 \cdot 4 \cdot 3 \cdot 2 \cdot 1 = 40,320$$

You can also use $8!$ for this.

Ex: How many different ways can first, second, and third place be decided among the twelve horses running in the Kentucky Derby?

Solution: First place can be won by 12 horses, second by 11, and third by 10.

$${}_{12}P_3 = 12 \cdot 11 \cdot 10 = 1,320$$

1. A restaurant critic decides to sample 6 of the 9 desserts on the menu. In how many different orders can this be accomplished?

(1) 720

(3) 241,920

(2) 60,480

(4) 362,880

Ex: How many different arrangements of the letters in the word TOMORROW can be made?

Solution: The word has 8 letters, but there are multiple O's and R's. We must eliminate the extra arrangements of O's and

R's. To do this, we use the formula $\frac{n!}{r!}$ where n is the number of things taken n at a time where r are identical. In this

example there are 3 O's and 2 R's that are repeated, therefore we must divide by both $3!$ and $2!$.

$$\frac{8!}{3!2!} = \frac{8 \cdot 7 \cdot 6 \cdot 5 \cdot 4 \cdot 3 \cdot 2 \cdot 1}{3 \cdot 2 \cdot 1 \cdot 2 \cdot 1} = 3,360$$

2. How many different 5-letter arrangements can be made from the letters of the word TOOTH?

(1) 12

(3) 30

(2) 24

(4) 60

Ex: Given the set of numbers {1, 4, 5, 7, 8}, if each digit can be used only once, how many different

a. four-digit numbers can be formed

{120}

b. four-digit odd numbers can be formed

_____._____._____._____

{72}

c. three-digit numbers larger than 700 can be formed

_____._____._____

{24}

Lesson 11 1 Permutations Worksheet

AW Rasmussen

Lesson 11 1 Permutations Worksheet:

Unveiling the Energy of Verbal Beauty: An Mental Sojourn through **Lesson 11 1 Permutations Worksheet**

In a world inundated with displays and the cacophony of fast interaction, the profound power and emotional resonance of verbal beauty often diminish in to obscurity, eclipsed by the constant assault of noise and distractions. However, located within the musical pages of **Lesson 11 1 Permutations Worksheet**, a fascinating perform of fictional beauty that pulses with fresh thoughts, lies an remarkable trip waiting to be embarked upon. Penned by a virtuoso wordsmith, that enchanting opus instructions visitors on an emotional odyssey, lightly exposing the latent possible and profound impact embedded within the complex web of language. Within the heart-wrenching expanse of this evocative examination, we will embark upon an introspective exploration of the book is central themes, dissect its captivating writing type, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.

Lesson 11 1 Permutations Worksheet Introduction

In the digital age, access to information has become easier than ever before. The ability to download Lesson 11 1 Permutations Worksheet has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Lesson 11 1 Permutations Worksheet has opened up a world of possibilities. Downloading Lesson 11 1 Permutations Worksheet provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Lesson 11 1 Permutations Worksheet has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Lesson 11 1 Permutations Worksheet. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Lesson 11 1 Permutations Worksheet. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Lesson 11 1 Permutations Worksheet, users should also

consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Lesson 11 1 Permutations Worksheet has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Lesson 11 1 Permutations Worksheet Books

1. Where can I buy Lesson 11 1 Permutations Worksheet books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Lesson 11 1 Permutations Worksheet book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Lesson 11 1 Permutations Worksheet books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Lesson 11 1 Permutations Worksheet audiobooks, and where can I find them? Audiobooks: Audio recordings

of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Lesson 11 1 Permutations Worksheet books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
