## **Lessons I Never Learned At Meadowbrook Academy:**

*Lessons I Never Learned at Meadowbrook Academy* Liz Maccie, 2014-11-04 Liz Maccie's debut novel is as tough optimistic and beautiful as her heroine Roberta Romano. Roberta's voice is heartfelt and funny. Her story is exceptionally moving and honest. I love this book and the hope it has for young women everywhere. Stephen Chbosky, New York Times bestselling author of *The Perks of Being a Wallflower*. The most important lessons aren't learned in the classroom. It's the first day of sophomore year for Roberta Romano, but instead of the comfort of her local high school, she's been thrust into the elitist embrace of the affluent Meadowbrook Academy. Surrounded by wealth, Roberta battles her own insecurities to prove her worth and maybe land the boy of her dreams. With the help of two unlikely allies and an inflatable toy raft, Roberta embarks upon a journey of dark secrets and self-discovery to learn the true meaning of friendship and acceptance. Roberta will charm and delight you with a voice that's candid, hilarious, and hopeful as she narrates her first day at a new high school, reminding us of the epic nature of each hour in our adolescent lives. *Lessons I Never Learned at Meadowbrook Academy* will make you laugh, cringe, cry, and cheer for the power of friendships that can change us in a single day. Ava Dellaira, author of *Love Letters to the Dead*. You wish your first day of prep school was this epic. Every single page of *Lessons I Never Learned* sparkles with heart and humor. Like a teenage Bridget Jones, Roberta Romano will make you laugh, cry, and cringe as she tries to navigate her first day at Meadowbrook Academy. She finds friends and enemies, earns detentions, and serious respect, and makes memories that will last her a lifetime. Siobhan Vivian, author of *The List*. *Pocketful of Poseys* Thomas Reed, 2023-09-19 Bronze Medal Winner in the 2023 Florida Book Awards. When your dying mother has one last request, how can you say no? Grace Tingley and Brian Posey are forty-something twins whose lives have gone in very different directions. Grace, now a private school teacher in coastal Connecticut, was a PhD candidate at Yale when an unexpected pregnancy threw her plans into a tailspin. Brian, an adventure travel executive in Seattle, barely scraped through an obscure New England college and recently married Ella after three years in an intimate relationship with a charismatic man from Jamaica. When their widowed mother, Cinny, a charter member of Woodstock Nation, is diagnosed with Parkinson's disease, Grace and Brian are there for her last days in hospice care. This is where Cinny reveals her staggering plan for the siblings: They're to sprinkle her ashes, mixed with their father's, at a series of exotic locations around the globe, some remote, some challengingly public, all known and loved by the Poseys. Joined by their own immediate families, Grace and Brian set off on a funereal odyssey that uncovers more about their parents' relationship and themselves than the twins find it easy to admit. By turns hilarious, profound, jarring, and poignant, *Pocketful of Poseys* bounds dizzily across the United States to New Zealand, Thailand, Italy, and more as the last of Cinny Posey's secrets are exposed and her survivors are forced to confront the strength of the ties that bind them all together, for worse and for better. *The Secret of Meadowbrook Orphanage* D. C. Johnson, Ron Rowan, 2012-05 It is said that love is the greatest gift of all, but in reality, there are two greatest gifts. One is love that much

we already know to be true However the second greatest gift is that of being a child for it is only as a child that one knows how to truly believe And it is this simple act of believing that has its own special kind of magic as you will see in this story When a child believes there is an energy that feeds everything and everyone around them It feeds even those magical beings who most adults can no longer see nor will they ever see again because they no longer know how to see that which they stopped believing in Sadly enough there are even some children who stop believing Sometimes it takes the energy of other children to awaken their beliefs again and that is also the case in this story So I invite you to reconnect to the magic that each of us once had the magic that children always hold and the magic that will bring you to a place where everything is possible All you have to do is believe
