Poems for the Funeral Celebrant Richard A.

Phipps, 2018-04-26 A funeral is naturally associated with grief totally focused on the finality of the loss of a loved one or friend This overwhelming emotion often has a tendency to overshadow who the decedent actually was and the positive impact that individual made on the lives of those attending the ceremony a community a work place a church or even the world as a whole The role of the Celebrant is designed to change all that A Celebrant's goal is to creatively highlight those life impacts through loving meaningful words songs and even dynamic visual displays to turn tears of grief into tears of joy Nothing can set the stage for such a celebrative atmosphere more than a poem applicable to or personally descriptive of the one we have lost Reverend Phipps wrote Poems for the Funeral Celebrant to give you the Celebrant or any who may face the challenge of leading a funeral memorial service a guide and resource from which to help families through this difficult time in their lives
