One morning, Naismith's eighteen students found a list of basketball rules that he had posted on the gym door. The rules described a whole new game. The boys walked into the gym. They saw the school janitor hanging a peach basket from a balcony. Their teacher brought out a soccer ball. The boys began playing the new game. The goal of their game was to throw the soccer ball into the peach basket. The rules said they could not run while holding the ball. The only way to move the ball was to pass it.
